INTRODUCTION FROM THE HEADTEACHER

Dear Candidate

I am delighted that you are interested in a position with Skinners' Kent Primary School (SKPS).

SKPS opened on 1 September 2015 and offers a unique and diverse learning community providing the highest quality education in which all pupils can thrive and achieve their potential. The school is part of Skinners' Academies Trust which enables a wide variety of learning opportunities for all our children and staff.

SKPS is an inclusive school where personalised learning ensures we meet the needs of all pupils and enables them, irrespective of their starting point, to achieve their full potential. We aspire for all pupils to feel safe, happy and have a love for learning.

Our curriculum offers an all-round education to enable the development of the whole child to inspire, flourish and succeed within the framework of the Early Years Foundation Stage and National Curriculum. It is designed to foster curiosity and creativity, to develop motivation and habits that encourage our pupils to be lifelong learners. The life skills we teach our pupils will give them confidence and self-belief. We aim for all pupils to leave us ready to make the transition to secondary education and ultimately to play their part in their local community as well as nationally and internationally.

If you share our aspirations for young people and want to work within a dynamic learning environment in which all members of our community have the opportunity to flourish and succeed, then we would be very interested in receiving an application from you.

Mrs Gemma Wyatt
Headteacher
Skinners' Kent Primary School

SKINNERS' ACADEMIES TRUST

Skinners' Kent Primary School is part of Skinners' Academies Trust, a Multi Academy Trust (MAT) comprising of The Marsh Academy, Skinners' Academy, The Skinners' Kent Academy, Skinners' Kent Primary School, Temple Grove Academy and The Skinners' School.

Skinners' Academies Trust is sponsored by The Skinners' Company, one of the 'Great Twelve' livery companies of London. The Company is a major not-for-profit organisation with a well-established reputation for philanthropy dating back some 700 years. Education is a core charitable purpose and the Company has a long track record of establishing, running and supporting excellent schools. Besides the Academies in the Trust, the Company also supports Tonbridge School, The Judd School in Tonbridge, and The New Beacon preparatory school in Sevenoaks.

In the Trust, members of The Skinners' Company make up a significant proportion of each Local Governing body and the Company provides financial support to help all its schools provide the best possible education.

The Trust's purpose is to provide its young people with the opportunity to make the most of their talents and fulfil their potential. It aims to:

- **Promote collaboration:** exchanging ideas and good practice to solve common problems together
- **Enable efficiency** in the use of its limited resources
- **Invest in staff**, finding the best teachers and giving them excellent opportunities to develop and progress
- **Share expertise** both from within the group and the wider sector, particularly in specialist areas such as SEND and mental health.

All of the schools within the Trust have first-class teaching, management and leadership, and are supported and held to account by high-quality governing bodies.

Further information about the Trust can be found on its website [here](#).

PROFESSIONAL DEVELOPMENT: SKINNERS' ACADEMIES TRUST

Skinner's Academies Trust are committed to investing in our people and as such offer a high-quality suite of professional development opportunities for all our teachers. Everyone at the Trust is committed to being a reflective practitioner, open to learning and motivated to keep getting better.

We know that professional development for our people will lead to impact in our schools. The five pillars of our offer are designed to offer opportunities to all our staff, to support our vision for an excellent education in all our schools and to have a clear impact on outcomes for all our pupils.

Chartered College of Teaching membership

All teaching staff are given full membership to the Chartered College of Teaching. This gives them access to a range of resources including research papers, articles, lesson videos and the quarterly journal, *Impact*; and opportunities to participate in CCT courses or become a Research Champion.

Research-led networking opportunities

The Trust-wide book group meets online each half term to explore an education-based text and discuss the implications on classroom practice. Copies of the book are free to members.

Our Research Enthusiasts group similarly meets each half term. It offers teachers from across the Trust with a passion for evidence-informed practice the opportunity to debate a range of research and its implications for classroom practice and student outcomes.

Development for middle leaders

Our bespoke Middle Leadership Programme is a 10-month course designed and delivered internally for those at the start of their leadership journey. Throughout the course we explore evidence and good practice around effective leadership, use of data, managing teams and how to implement improvement. All participants are allocated a mentor who supports them throughout the course, and get to visit each Trust school over the course of the year.

Subject-specific collaboration

We have established Subject Communities for English, Maths, Science and MFL, enabling improvement at subject level the Trust through collaboration between subject leads and shared good practice. This gives heads of department an exciting chance to experience and learn from a range of practice across all our schools.

SLT Community of Practice

All senior leaders across the Trust are members of our SLT Community of Practice, giving them the opportunity to share good practice in school improvement. Leaders participate in visits to Trust schools, hear from external experts and provide professional and supportive critique to one another.
