About the Learning Academies Trust

The Learning Academies Trust was originally formed by three Plymouth primary schools in November 2016. In April 2018 three more primary schools joined, and in October 2018 two further schools joined our family. In terms of pupil numbers, the Trust is now the largest primary school MAT, or Multi Academy Trust in the city of Plymouth with plans on the horizon to grow.

The Learning Academies Trust is a family of schools dedicated to delivering outstanding education to all our children, whatever their starting point or background. Our Trust holds three core beliefs at the centre of the work we do:

Every child in our Trust deserves an outstanding education

Schools work best when they work together

Every school is unique

All of our schools are committed to the following values:

Together we
will...

Aim to develop our children as
responsible rounded citizens

Not let social disadvantage be
an obstacle to success

Develop our children's love of
enquiry and perseverance to
become life-long learners

Provide a rich and stimulating
curriculum which is broad and
balanced

Establish an inspirational
environment in every
classroom

Work hard every day to be
'outstanding' in everything we
do

Strive for the highest academic
standards

We know that with great leadership, inspirational teaching, caring pastoral support and hard work, every child in every one of our schools can succeed. By joining our Trust, you will

become part of an inspiring group of people, committed to shaping a great future for our city's children.

The Learning Academies Trust is comprised of 8 Primary Schools across the city of Plymouth, and delivers exceptional education to approximately 3000 children and employs over 500 members of staff. Each school has a unique identity and set of values but are joined together in their aspirations for their communities.
