You should be capable of developing excellent relationships with the students and therefore a proven record of successfully working with young people is essential. You will be a hard-working individual; with high expectations and an unwavering determination to get the best outcomes for students.

The College is on a rapid improvement journey and has a strong staff team in place to ensure every child is enabled to fulfil their potential. We have excellent pastoral support and our students report that they feel very happy and safe at the school. We are proud of our students. The relationships between staff and students are strong. Community engagement is also an important feature; we have an active Parent/Teacher Association (FOSDA—Friends of South Dartmoor Academy).

If you want to work in an inspiring, fully inclusive environment with students who want to succeed, and friendly, supportive staff, then we want to hear from you! You will join a passionate and dedicated team, and a Trust who is committed to providing professional development and opportunities for all colleagues. Part of the WeST Trust, we are an 11-18 College situated in Ashburton on the edge of Dartmoor. With impressive facilities, the College currently caters for approximately 900 students.
