## INFORMATION ABOUT PRINCE HENRY'S GRAMMAR SCHOOL

---

Prince Henry's is an over-subscribed comprehensive school with over 1660 students, including around 350 in the Sixth Form. It was recently named in the Times Parent Power guide as one of the top comprehensive schools in the North of England. Our extremely positive Ofsted report (December 2022) stated that "there is enough improvement to suggest that the school could be outstanding if we were to carry out a graded (section 5) inspection". Regardless of our current success, we strive for the continuous improvement of our educational provision so that our students are fully prepared for 21st century society. We serve the market town of Otley (in the Wharfe Valley) and the surrounding villages including Pool, Bramhope and Adel. The Wharfe Valley is a wonderful region in which to live and work. It is close to areas of outstanding natural beauty, yet also benefits from good transport links to key towns and cities across the country.

Prince Henry's Grammar School has a rich history dating back to its Royal Charter of 1607 and to this day the school remains at the heart of the local community. We work hard to maintain strong links, for example through community use of our sporting facilities and our provision of an extensive Community Education Programme.

High standards, in both the academic and broadest sense of the word, continue as the underlying principles of all that we do. Our behaviour and achievement policy, known as Positive Discipline, is central to this. The system rewards students for what they do well, whilst also providing a framework within which misdemeanors are challenged and sanctioned in a consistent manner. This results in the extremely positive attitudes to learning that exists amongst our students. Prince Henry's is an enjoyable place to work and learn and we aim to appoint colleagues who shares our commitment to high professional standards.

Our focus on equality and diversity has a significant impact on the philosophy and operation of the whole school. An international perspective is evident in all areas of school life and all colleagues are expected to deal with issues of global citizenship and equality through their role in school. Typically, over 500 students take part in one of a dozen or more foreign trips and exchanges each year.

Our commitment to promoting equality and celebrating diversity lies at the heart of our vision, and we have received national acclaim for our work in this respect. The school holds the highest level of the Stephen Lawrence Education Standard and has supported several other schools to develop their own inclusive practices through the RED award developed internally.

Extra-curricular and enrichment provision is rich and varied. There are strong sporting traditions (including rugby, netball, hockey, athletics and swimming) and considerable interest in outdoor pursuits through a successful Duke of Edinburgh Award programme. Music, drama and a variety of other activities also flourish. Governors and trustees are keen to appoint staff who will support the vibrancy of our school.

For further information about Prince Henry's, including details of the current curriculum offer, please see the school website [www.princehenrys.co.uk](http://www.princehenrys.co.uk) and the school's prospectus documents [here](#).

## INFORMATION FROM THE HEADTEACHER

---

Dear Prospective Applicant,

We would like to thank you for your interest in applying for this post at Prince Henry's Grammar School.

Of particular interest to new members of staff is the emphasis placed on high quality professional development. Prince Henry's is a strategic partner in the Red Kite Teaching School Alliance and as such we work with our partners to develop and deliver high quality CPL to staff in our own school and across the region. This ensures good access to development opportunities for our teaching and associate staff.

A number of services and benefits have been developed including such things as free coffee/tea at break time, parking, annual flu vaccinations, access to Cycle to Work and Computer schemes, corporate gym membership, staff takeaway meal service through Henry's Diner, long service awards and social events organised by the Staff Committee. There is also an opportunity for the children of staff to access the excellent education available at Prince Henry's in line with the Admissions Policy.

Over recent years the already strong educational provision at Prince Henry's has improved even further, and consequently the reputation of the school. As a result, Prince Henry's has grown in size, including significant growth in the sixth form. Despite the school's achievements, governors and school leaders are not complacent, and seek to employ staff with the ambition, knowledge and skills to contribute to further improvement in this larger than average comprehensive school.

This is an exciting time to join a forward-thinking and ambitious school. I have been in post as Headteacher since April 2022 and have since made three appointments to the Senior Leadership Team. As such, we are looking to keeping the aspects which work constant and maintain excellence, whilst pushing ourselves even further to ambitious levels. That said, staffing is stable at Prince Henry's; it is hard to leave such a wonderful school and we all benefit from a huge range of experience and stability.

We hope that after reading the information about this vacancy you will want to apply. Please clearly describe your relevant skills and abilities, knowledge and experience (see Person Specification) in the appropriate sections of the application form and explain why these make you an ideal candidate for your chosen post. We look forward to receiving your application.

Yours faithfully

**Sally Bishop**  
**Headteacher**

At Prince Henry's Grammar School responsibility for ensuring appropriate provision for students with Special Educational Needs lies with every faculty and teacher. Advice and support is provided by the Inclusion Team. Faculties are responsible for ensuring that the curriculum is accessible to all students and they are supported in this by the Teaching Assistants.

### **Purpose of Role:**

Teaching Assistants work under the direction of the SENCO, Faculty Leaders, Inclusion Officer: SEND and the Class Teacher. Support is for **all** students with whom the TA comes into contact.

TA's will work with a range of faculty areas to support groups and/or individuals, developing resources and supporting Faculty Leaders and teachers to best meet the needs of all students.

### **Main Duties:**

1. Work in partnership with class teachers to enable students to access the curriculum
2. Promote a positive and inclusive learning environment in the classroom and encourage students to achieve their personal best

20. Be aware of and comply with the code of conduct, regulations and policies of the school
21. Be aware of equal opportunities legislation and, along with colleagues, work towards ensuring that the school complies with its requirements
22. Be aware of and support differences, ensuring all students have equal access to opportunities to learn and develop
23. Contribute to the overall ethos, aims and objectives of the school including the school's commitment to safeguarding and promoting the welfare of children and young people
24. Appreciate and support the role of other professionals
25. Be aware of the school's duty of care in relation to staff, students and visitors and to comply with the health and safety policy at all times
26. Establish and maintain positive, constructive and professional working relationships with staff, visitors, students, parents and other professionals of the school
27. Recognise own strengths and areas of expertise and use these to advise and support others
28. Participate in the School's Performance Appraisal process and seek to develop knowledge and skills through professional development opportunities
29. Carry out any other duties commensurate with the grade of the post, as directed by the Headteacher

Many of the above depend on the style of teaching used in the mainstream classroom and the skills of the individual support staff. However, the development of a good

working relationship between the subject specialist and the support staff will enable them to work together for the benefit of all students.

### **Supporting the Teacher**

A TA who is well informed and confident will enhance the work of the students, help them to stay on task, help the teacher to set more ambitious learning tasks, provide more speaking, reading and writing opportunities for students, and make useful contributions to lesson plans, Pupil Centred Passports and students' targets. The teacher has the responsibility for what is being taught and for the conduct of the students. However, all the evidence shows that the team of teacher and TA works well when the TA is informed by the teacher of the plans and intentions for the lesson.

The TA provides support to the teacher and through this to students and to the teaching of the curriculum. The TA works under the direction of the teacher, whether in the whole class or on their own with a small group of students or an individual.

TAs should contribute fully to the information held on students, including the nature of the difficulties that hamper students' progress. Teachers should be able to recognise and take full advantage of the detailed knowledge the TAs gain on individual students. Feedback to the teacher by the TA after small group or individual work contributes to the teacher's assessment of the students and provides information that is valuable in planning future work. TAs will use and create differentiation strategies and resources to support learning to be shared/created/collaboratively with teaching staff.

In accordance with guidance provided within the School's Positive Discipline Policy a TA can provide valuable reinforcement in dealing with behaviour problems and potential disruptive behaviour from students. Teaching Assistants should always work under the direction of the classroom teacher when they are involved in supporting the Positive Discipline policy.

### **Supporting the School**

The TAs at Prince Henry's Grammar School are not only part of the staff but are part of a very successful team, and as such will translate school policies into practice and further the ethos of the school.

### **Performance Appraisal**

The SENCO will act as the TA's line manager for appraisals but will receive input from the relevant Faculty Leaders. The school will regularly review the performance of all TAs and will commit to necessary training. This appraisal (or personal review) is an opportunity for the TAs to discuss their professional needs with their line manager. Appraisals will be carried out annually.

***Prince Henry's Grammar School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share in this commitment.***
