## About the Academy

Armthorpe Academy is an 11-16 school located in the town of Doncaster, South Yorkshire. The learning our children experience is a broad and balanced diet that provides intellectual, moral, creative and emotional stimulation. It is an exciting time to be part of our academy, as with the support of Consilium, we are constantly working to develop and evolve our curriculum and pedagogy to ensure all students can flourish. This means not only striving to fulfil the academic potential of all our learners, but also teaching our young people how to care for themselves mentally and physically, as well as facilitating opportunities for them to enjoy and live life to the full beyond the taught curriculum.

It seems simple and obvious, but there is nothing more important than the quality of teaching and learning in our classrooms – every minute, every lesson, every day. Staff are learners too. We place significant emphasis on staff development and collaborative partnerships to ensure what goes on in and beyond our classrooms is as good as it can be.

The Armthorpe values permeate all aspects of school life. We are building a culture where we expect everyone in the Armthorpe family to be a leader and a learner. Our ethos is built on the strapline, **Inside Everyone There is a Rainbow Waiting to Shine**. A rainbow is a wonderful sight; a symbol of hope, inspiration, vibrance and dreams coming true. A rainbow only appears however after a storm reminding us that anything magnificent often requires a battle, struggle, resilience and patience. Weathering the storm is a part of life. As such, our values embody characteristics we would want to foster in our own children:

|  |   |
|--|---|
| Respect<br>#Communicate with Kindness    | At the start of our rainbow because manners and kindness cost nothing but mean so much.   |
| Responsibility<br>#Make Positive Choices | Life is all about choices. It is never too late to make a positive choice; you don't find a rainbow looking down.                     |
| Resilience<br>#Never Give Up             | In the middle of our rainbow because resilience is a skill not an ability. It can be learnt. It is an invaluable life skill.          |
| Pride<br>#The Best of Me                 | Nothing replaces hard work, but pride features at this point in our rainbow as it requires the 3 Rs before it, then some inner drive. |
| Ambition<br>#Dream Big                   | Ambition is at the end of our rainbow because dreams will come true but only if all our other values are engrained and embed.         |

In January 2019, we were judged by Ofsted to be 'Good' in every category which is testament to the hard work and dedication of the staff and students. As Armthorpe grows and develops as part of the Trust, this new appointment will play an integral part in shaping the future of the school.

# About the Trust

## The Consilium Mission

*"Enriching Lives, Inspiring Ambitions"*

We are proud to be Consilium Academies, a Trust that believes in the unique value of each individual. Our vision, actions, and purpose are guided by this principle and a dedication to do all we can for the communities we serve.

We never put a ceiling on potential. Instead, we work with our Academies to provide high-quality education that is truly inclusive, giving every student the same opportunities to develop the skills and knowledge they need to thrive in life beyond the classroom.

- The lives of our young people should be enriched by care, experience, and opportunity. This is achieved by;
- helping children and young people to succeed to their potential academically, socially, and emotionally;
- instilling a passion for lifelong love of learning and continued improvement so that our academies, staff, and students achieve their aspirations and ambitions;
- creating a family of academies that are inclusive and embrace diversity, where all members of the community feel supported, inspired, and empowered to succeed;
- ensuring all stakeholders are seen as partners in our work within the communities we serve.

The Trust operates a Central Team led by our Chief Executive, David Clayton. The team provide direct services to our schools as well as Trust-level accountability, leadership, and management. We operate a strong partnership model and our partner schools are instrumental in the continual growth and development of our Trust. # Centre for Professional Learning

The core driving force behind the Consilium Centre for Professional Learning is a desire to provide students with the best possible education, and the belief this can only be achieved if every colleague, regardless of role or career stage, has access to the high-quality professional development they deserve.

Every colleague, whether teaching or support staff, will be supported and developed through the professional development review process, which replaces traditional forms of performance management.

The professional development review process is focussed on the aspirations of the individual, ensuring that every colleague receives the support and development they deserve to achieve their own aspirations for their careers.

We believe our team of support staff are vital to ensure our schools are well-resourced, safe, compliant, and work as well as they can for the benefit of our students. In addition to the professional development review process, we commission and fund industry-standard qualifications for colleagues in support roles and are also able to support and fund teaching assistants, higher-level teaching assistants, and colleagues in student-facing pastoral and safeguarding roles, to qualify as teachers should they wish.

The Centre for Professional Learning works with and supports in-school leads for professional development to craft the best and most appropriate whole-school offers for their colleagues. We don't impose a central 'curriculum' for professional development, because the needs and priorities of each school are different.

However, we want to support each school to give due focus to whole-school priorities, with departmental training, middle leader training, and one-to-one development and coaching supporting fewer, more in-depth, whole-school messages.

All teaching staff will receive the following 'universal' offer from their school:

Regular whole-school training, driven by the school's priorities and the in-school professional development lead, with support from the Centre for Professional Learning. This will be designed with the context of the school in mind with subject-specific and individualised training to suit the career stage and expertise of specific teachers. Regular subject-specific training within subject teams. This will draw on the whole-school training and ensure it is considered through the lens of applicability to specific subjects, year groups, and classes.

Regular teacher-specific training. This will be owned and run by in-school teams, and may take the form of 1-to-1 instructional coaching or teacher learning communities, and is supported by the Centre for Professional Learning.

Access to the relevant subject and other networks across the Trust, according to their role within school

In addition to this 'universal' offer, all colleagues across the Trust, whether teaching or support staff, have access to bespoke programmes of CPD matched to their own aspirations for their career. We partner with external organisations to enhance our offer to staff, and will support staff with recognised qualifications where appropriate. We are keen to work with a range of partners who use the best available evidence to design rigorous professional development.

All Early Career Teachers (those in their Newly Qualified or Recently Qualified years) at Consilium Academies receive regular support from a mentor, regular instructional coaching, and regular training alongside their NQT or RQT cohort both within their school and across the Trust, with the opportunity to develop relationships with their peers across the Trust as part of our Early Career Teacher Networks.

We believe offering colleagues a strong induction to the teaching profession is of vital importance. We want to set our colleagues up for a long and successful career in education, and help them to provide the best experience possible for our students.
