INFORMATION FOR APPLICANTS

Thank you for downloading this application pack and for your interest in becoming a Teaching Assistant at Birches Head Academy, in Stoke-on-Trent.

This is an exciting time at the Academy, as we have made dramatic improvements and seen a complete culture change in recent years, resulting in growing numbers of children applying for places.

We have recently joined the Frank Field Education Trust, providing a firm foundation to enable us to flourish. As an Academy within the Frank Field Education Trust, schools will particularly benefit from the Trust's access to services that will improve the support we can offer to all students and families and also from the opportunity to work with like-minded people, who want the best for children and young people. The Academy works in partnership with a number of schools both locally and nationally, including our primary feeder schools and colleges to ensure all students have the very best opportunities and outcomes.

Our vision is to provide:

- An exceptional academic education to all children (Intellectual Capital)
- A values led approach to education for every child (Cultural Capital)
- The right environment for every

child to flourish by building learning communities in partnership with parents and carers (Social Capital)

Achieving these commitments will ensure that, when pupils leave the Academy, they are ready for the next step in their journey; leaving with the necessary skills and knowledge, and the desire to serve others, to become the next generation of leaders.

Our determination to do this, in its fullest sense, resonates with our Academy motto inspired by the words of Oscar Romero "Aspire to be More". I have very high aspirations for the young people at Birches Head Academy. I want the very best for them. I want them to 'Aspire to be More'.

If you feel you can make a contribution to this important enterprise and help our children to be the best that they can be, then I look forward to receiving your application.

A WELCOME FROM THE CEO OF THE FRANK FIELD EDUCATION TRUST

The Frank Field Education Trust (FFET) is a multi-academy trust (MAT) based in two Regional Schools Commissioners areas (L&WY and West Midlands) which aims to build on the work of the Outstanding teachers, leaders and schools within the Trust to serve the most disadvantaged schools and communities in England.

The founder and Chair of the Trust, the Rt. Hon. Lord Frank Field, served for almost 40 years as the Member of Parliament for Birkenhead. During this time, Frank has written extensively on education and, in 2010, wrote "The Foundation Years: preventing poor children becoming poor adults" report, which is regarded as a landmark document regarding the importance of education and Early Years care in ending disadvantage. The review found that the gap in cognitive, social and emotional skills between the most and least disadvantaged students starts well before children enter the education system. This gap widens still further during school years.

Our intention is to work with schools that buck this national trend, with the aim of equalising or bettering life chances by the time our young people leave school. We believe social justice can be achieved through excellence in education.

We welcome applications from people who share our ambition to provide an education for children that is unparalleled in this country and have the enthusiasm and drive to make this a reality.

Mr Tom Quinn
CEO of The Frank Field Education Trust
