This very successful 11-16 secondary school is seeking an enthusiastic, suitably qualified Teaching Assistant to support the learning of all students, including those with special educational needs. The role involves working with teachers, SENCO, and a dedicated support team to enhance the development of our students.

We are looking for applicants who are approachable, highly motivated, solution focused and flexible. You must be open to change, and be able to cope with the various demands of working in a busy, engaging, exciting and successful secondary school.

We are looking for a colleague with:

- a positive, 'can do' attitude
- excellent communication skills
- a desire to make a difference to our students' lives
- experience in supporting children with social and emotional needs
- high expectations and a commitment to ensuring that young people with additional needs are able to prosper and succeed, both personally and academically

Blacon High School prides itself on being relentless in its desire to provide outstanding learning opportunities, and the successful candidate will join a well-established team. In September 2016 we moved into a new state of the art building and a further extension was completed in September 2021 due to the school being oversubscribed for the 4th year. This has enabled the school to grow from 600 to 750 students.
