Welcome from the Principal

Thank you for your interest in this post. Choosing the right school in which to work is a very important decision, and the aim of this application pack is to provide you with sufficient information to support your consideration of whether you would be happy and motivated working with us over the coming years, to shape the future of our school and inspire our students to make academic progress that is within the top 20% of all schools nationally.

Chipping Campden School is indeed a very special place – unlike any other. What makes our school so special is its culture and ethos; something that has been grown since the school's formation in c.1440, enabling students to feel empowered in their learning and inspired to excel. The school has a very special place in my heart, having served at the school between 2003 and 2011 as a Teacher of mathematics, Head of Year and latterly Assistant Headteacher. Without doubt, having the opportunity to return to the school as Principal in 2023 is the proudest moment of my career. Having taught and led in a variety of other schools across the country, when I drive to Chipping Campden School each day, I know that I am very privileged to be coming to such a special place, with so many amazing people.

When you take a walk around our school, it is impossible not to feel a palpable buzz of excitement. There are so many opportunities for students to flourish, whether that be representing our school on the sports field, performing on stage in our state-of-the-art Performing Arts Centre, leading one of our Student Parliament Ministries or completing the Duke of Edinburgh Gold Award; our offering of co-curricular and extra-curricular activities is enormous.

We are unashamedly ambitious for all our students, enabling them to develop high aspirations and chase goals that perhaps at first, may seem a little daunting. It is only when we relentlessly pursue these high aspirations and settle for nothing less than our very best, do we enable our students to leave our school being able to successfully compete with their global counterparts, in whatever they choose to do at the end of, what for most, will be a seven-year partnership with us. As staff at the school, I believe it is our job to provide the expertise and environment to enable our students to do just that, supporting and challenging along the way.

I am also acutely aware of the current pressures on staff workload and the impact this can have on their wellbeing. I encourage you to take a read through the range of staff benefits that we offer at our school (pages 5-6), including our tangible commitment to supporting staff in achieving an effective work/life balance.

If you decide to apply to support me in leading our school, you will be committed to working to high standards and will ensure these are replicated. Moreover, you will be joining a committed team of staff who make it their business to provide students with the very best opportunities and environment to be successful. The Inclusion Department has a team of Teaching Assistants who work closely with individual and small groups of students to address their SEN needs across all four broad areas of need in the code of practice. Along with supporting High Quality Teaching in the classroom, the Inclusion Department offers a range of targeted provisions and interventions, tracking and monitoring progress and evaluate outcomes

To explore the vacancy in more detail prior to applying, a conversation can be arranged with the Head of Inclusion SENCo nbuckingham@campden.school or HR Manager dsmith@campden.school. Alternatively, please contact the school by telephone on (01386) 840216. In addition to this, a wealth of information about our school can be found on our website.

If you would like to apply for the post, please do so by completing both parts of our application form, which can be found on our website, by clicking [here](#). Part 1 of the form (pages 3 and 4) provides a space for you to write about the relevant skills and experience that make you a suitable candidate for this post. This section is restricted to two pages (min. font 11) and should outline how your skills set and experiences to date are suited to the requirements of the person specification. Deadline for applications is Wednesday 3rd July 2024.

I look forward to hearing from you.

Staff benefits

Every school is unique and ours is no exception. One of our unique selling points is the relatively high average length of service of our staff, and relatively low rate of staff turnover. Neither of these are by chance and are the product of staff feeling trusted, empowered and recognised for leading the roles they do. We feel that a mark of the outstanding school we are is symbolised by the number of staff who choose to send their children to be educated with us.

Below is a list of just some of the 'pull factors' that contribute to making our school a great place to work:

- An allocation of three, paid staff wellbeing days, where employees are not required to be in school.
- An average of 17.4 students per teacher (full-time equivalent)
- An iPad to use in school and at home, to enable seamless remote working, using cloud-based technology.
- Commitment to staff wellbeing through a variety of internal practices, designed to recruit and retain the very best staff.
- Work-life balance – three paid staff wellbeing days each year, where employees are not required to be in school

- Complimentary use of the school sports facilities, including gymnasium, swimming pool and fitness equipment.
- Comprehensive range of staff social events throughout the year.
- Cycle to Work scheme
- Freshly prepared and cooked food available on site
- Health and wellbeing support including access to an Employee Assistance Programme (including partners and dependents), confidential counselling services and support from our Staff Wellbeing Group, who meet regularly to ensure that our staff wellbeing is prioritised.

- Outstanding, tailored CPD
- Pension Scheme membership (Teachers Pensions or Local Government Pensions Scheme)
- Support in completing relevant external leadership development programmes.
- The school is located within the beautiful Cotswold town of Chipping Campden, with friendly businesses, including a wide range of restaurants and pubs.
