

About The Diocese of Sheffield Academies Trust

The Diocese of Sheffield Academics Trust is a leading educational Multi Academy Trust within South Yorkshire committed to providing exceptional learning experiences within its 20 primary schools. As a multi academy trust, we are a supportive network of primary schools, all dedicated to fostering academic excellence with the support of a strong Executive leadership team. The Trust is focused on improving the life chances for pupils and their communities in the South Yorkshire region. In DSAT ultimate accountability and governance lies with our Trust Board, however, our Local School Boards are valued partners in the trust's mission and act in an advisory capacity to help ensure the schools reflect the community's needs and retain its unique identity.

The Trust has developed a professional central support team which is crucial in maintaining and enhancing improvement within our school academies, enabling school leaders to focus more effectively on educational standards. The DSAT central team members are highly visible and recognised as supportive colleagues, adding a resource to support improvement while reducing the pressure on school teams to handle non-educational tasks.

About Emmanuel Junior Academy

Emmanuel Junior Academy was inspected in 2023 and achieved Good overall. We are very proud that the inspectors found the school have 'created a safe and happy community'.

The school is a joint Anglican/Methodist junior school and builds strong links with the local church community.

Visions and Values

The school strives to be respectful, courageous and safe at all times.

At Emmanuel we work as a team, in partnership with all members of the school community, to offer a high quality, stimulating, safe and innovative learning environment which values and supports all children to achieve their potential. We will nurture children who understand and are able to adapt positively as active citizens and courageous advocates, to the diverse world in which they live, both now and in the future and grow as people.

Our high standards of teaching and personalised learning are set within a broad, balanced and ambitious curriculum. A curriculum which is intended to prepare our learners to make a positive contribution towards society and enjoy future success,
