SAT is an educational charity, Multi-Academy Trust and Sponsor of Academies. We have approaching 16000 children and young people in our academies and employ more than 2200 teachers, leaders and educational support professionals across the East Midlands. We aspire to be a leading regional high performing Trust, with a national reputation for excellence.

We currently have 16 primary academies, 8 secondary academies and one primary aged special school in our family of schools. All of our schools benefit from the collaboration and added value that being a member of our Trust offers, and share our values and beliefs. Spencer Trust academies share an ambition to deliver results that compete with the very highest performing schools in the country, and deliver a curriculum for students that is underpinned by breadth, opportunity and quality: one that seeks to give young people the opportunity to develop into well rounded global citizens that believe they can influence positive change in the world.

Mission

Our Mission is to deliver the best possible outcomes for children and young people.

- Schools are stronger when they work in collaboration with each other, operate within a 'family' and are open to a true sense of partnership.
