Job/Person Summary

We are looking for an enthusiastic and self-motivated Teaching Assistant to join our team to work for 5 days a week including 1:1 support.

Previous experience of working with a child with an Education Health Care Plan would be an advantage, but is not essential.

The successful candidate will work within, as well as away from, the classroom with a specific child, offering a varied programme of support. This is a varied role covering support with group working, as well as general classroom duties. Mornings will be supporting a child with an Education Health Care Plan and the afternoons will be classroom duties in Year 1.

May suit a person looking to start teacher training in the future.

You must have good basic literacy and numeracy skills (Grade C or above in GCSE Maths and English), be a flexible team player, able to motivate and interact with children, and have an interest in how children learn.

Our staff work as a close and supportive team, and our school is a happy and professional place to work, with an excellent environment and facilities.

Halterworth is part of the University of Winchester Academy Trust. Our five primary schools work closely together to ensure an excellent education for our pupils. Staff receive joint professional support throughout the year. The ability to work as part of a team and independently, to prioritise and to use initiative is essential. You will need to be friendly and approachable with a good sense of humour – every day is different!
