# WHO WE ARE

On behalf of the pupils, staff and governors, I would like to welcome you to Hawksworth Church of England (VA) Primary School - which has been educating children for over one hundred and fifty years.

Our school is set in the village of Hawksworth and has been serving the local community for 152 years. We are surrounded by idyllic countryside and our extensive grounds provide a stimulating and safe learning environment for our children.

We have high aspirations for every child and an expectation that they will excel and achieve their potential. We provide an inspirational and creative curriculum, rich in opportunity and full of challenge. We understand that every child is precious – an individual blessed with their own unique set of gifts and talents and we work hard to encourage and support each child as they discover where their strengths lie.

We pride ourselves on our happy, friendly and caring atmosphere, as well as our strong Christian ethos, which underpins all that we do. We have good links with our local churches St Oswald's in Guiseley and St Paul's in Esholt. We endeavour to help all our children develop their understanding of the Christian faith and this is reflected in both the curriculum we teach and the moral values we impart to our children.

# OUR VISION

---

Our theologically rooted Christian vision, *'Safe to grow, free to soar'* (Isaiah 40:31), shapes every aspect of school life.

Pupils and adults know they are safe, valued and supported, enabling them to take risks, build resilience and flourish.

The belief that those who hope in the Lord will 'soar on wings like eagles' inspires high aspirations, confidence and joy.

# WHY CHOOSE US

---

- 01** Our village school was rated GOOD by Ofsted in June 2024 and has never been rated less than GOOD in previous inspections. Our most recent SIAMS inspection also rated us as GOOD.
- 02** Be part of our small and supportive staff where all are valued as essential parts of the Hawksworth family. Senior leaders mentor and guide staff to pursue training and career development.
- 03** Supportive interview process will not include any hidden tasks and will solely be based on a classroom observation and face to face interview.
