About Esteem Multi-Academy Trust

Esteem Multi-Academy Trust currently comprises of eleven academies throughout Derbyshire, Derby City, and east Staffordshire. Formed by a group of like-minded school leaders in August 2018, the MAT is currently responsible for the education and care of approximately 1,200 students and employs around 750 staff. The total revenue budget for the MAT is approximately £27 million and plans are in place to expand further.

Esteem Multi-Academy Trust includes 7 special schools, 3 alternative provision academies and a mainstream infant and nursery school with an enhanced resource provision educating young people with autism and learning disabilities. We wish to grow further to fulfil our vision to become a centre of excellence for special educational needs and disabilities (SEND) in the midlands. We have a well-defined set of values and a clear vision for the MAT to become a regional hub for expertise in SEND and inclusion. We share a collaborative ethos, believing that we can achieve more for our pupils as a collective group of schools than we could separately. Our academies focus on the holistic needs of the young person, due to students' vulnerabilities. So, 'joined-up thinking', between our academies and different agencies, is essential to deliver the right support for our students.

The main aims of Esteem MAT are to:

- Provide an ambitious, inspirational, bespoke education, setting the foundation for the future and ensuring our young people are ready for the world;
- Deliver high standards and value for money from our support services, resources, estate and technology; and
- Invest in and support our people, exploiting opportunities for collaborative, continual professional development, sharing of expertise and best practice.

As a group of academies working together, we can share and deliver better practice. We will be able to commission health, care and therapy services in a fully 'joined-up' way.

About Stanton Vale School

Stanton Vale School is a vibrant all age special academy located in Long Eaton, working with students primarily from the south east of Derbyshire but also from Derby City, Nottinghamshire and Leicestershire. Our students' complex needs can act as a barrier to effective learning. The academy has a strong reputation for multi-disciplinary work aimed at overcoming these challenges. We then build on this by focusing on what students can do.

Our most complex students benefit from a specialist sensory based approach and learn through an experiential curriculum. Our more able students spend time working on key skills of learning and, at an appropriate time, their curriculum may become more formal in line with their developing skills and understanding. For all our students, outcomes rooted in their Education Health Care Plan (EHCP) are the driver to their learning and individual curriculum. As with any special school, we ensure equality of opportunity for our students and work hard to provide a range of additional activities such as college visits, residential activities, community visits and enhanced provision in sports and especially the arts.

The academy also benefits from having a dedicated nurse on site as well as access to speech & language therapy, physiotherapy and occupational therapy. Strong links with parents and governors are fostered through a range of formal and informal events with the academy striving to be at the centre of its community.

The students benefit from access to a swimming pool on site as well as specialist teaching spaces such as a 'soft mobility room', library, adapted kitchens. Externally we have large grounds. Dedicated play spaces are complimented with an allotment, quiet area and an outdoor willow learning space. Students also spend time at The Long Eaton School as well as attending Central College as appropriate.

Further information about our academy can be found on the website at www.stantonvale.derbyshire.sch.uk

Safeguarding and checks

Esteem Multi-Academy Trust is committed to safeguarding and promoting the welfare of all its students. We expect all staff, volunteers and agency staff to share this commitment. The successful candidate will be required to undertake a Disclosure and Barring Service (DBS) check. The possession of a criminal record will not necessarily prevent an applicant from obtaining this post, as all cases are judged individually according to the nature of the role and information provided.

Esteem Multi-Academy Trust's Safeguarding Policy applies to all adults, including volunteers and agency staff, working in or on behalf of the MAT.

Each student's welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with special educational needs and disabilities, those living in adverse circumstances. We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world positively. We recognise that some children who have experienced abuse may harm others. We will always take a considered and sensitive approach in order that we can support all students within our academies.

The MAT pays full regard to the DfE 'Keeping Children Safe in Education September 2020' guidance. We ensure that all appropriate measures are applied in relation to everyone who works for the MAT who is likely to be perceived by the students as a safe and trustworthy adult including volunteers and agency staff. As part of our safer recruiting practises, we scrutinise applicants; verify their identity, academic or vocational qualifications, obtain professional and personal references, check full employment history and ensure the applicant's health and physical capacity is suitable to undertake the role. Interviews and DBS checks are also undertaken.

This post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as "spent" must be declared.

If you are currently working with children, either paid or voluntary, your current employer will be asked about disciplinary offences, including those related to children or young people (whether disciplinary sanction is current or time-expired), and whether you have been the subject of any child protection allegations or concerns and, if so, the outcome of any investigation or disciplinary proceedings.

If you are not currently working with children, but have done in the past, that previous employer will be asked about these issues.

Where neither your current or previous employment has involved working with children or young people, your current employer will be asked about your suitability to work with children and young people, although it may be answered "not applicable", where appropriate, if your work has not brought you in to contact with children or young people.
