John Chilton School is a successful school for pupils who have complex physical, medical and learning difficulties. We are innovative in our approach to educating pupils aged 4 to 19 years in a unique environment. The school is located on two sites, and the post holder will be expected to be able to work on either site.

The job includes: leading learning activities, improving interaction and communication, evaluating and feedback on learning and progress, organising and maintaining school equipment, supporting a positive learning environment for pupils and assisting pupils with their personal care; you must be sufficiently physically fit to be able to do this.

You:
