INFORMATION ABOUT WORKING FOR SAST

SAST is a multi-school trust, formed in June 2017, with 18 schools across Dorset and South Somerset. We have more than 5,700 students and over 850 members of staff. There is real strength in coming together with a collective responsibility for all the children's development and progress between 0-19 years. SAST has large town primary schools with over 300 children, smaller village primary schools and nursery provision. SAST also has 5 secondary schools, some with a Sixth Form provision. There is a mix of formerly maintained and Church of England schools - both voluntary controlled and voluntary-aided in the Diocese of Salisbury. We believe in preserving Schools in their local community.

Our Schools:

A key principle of the SAST is that member schools maintain their own character, such as church and community status. All schools in the multi-school trust are equal partners and are committed to the principles of collaboration, sharing expertise and resources to enable all partner schools to deliver excellent education for all young people in their care.

At the heart of SAST is the desire to work in partnership, to collaborate with others and to be outward facing for the benefit of children and staff. The schools have extensive links beyond the immediate area and are keen to extend these further.

SAST works by providing opportunities to share and improve - to develop further our provision as well as supporting the quality of leadership and management. This includes sharing best practice, being creative in maintaining a broad and diverse curriculum, ensuring the care and support is in place for children and families and enabling further staff and teacher development. We also work together on meeting the challenges of funding and the opportunities for financial efficiency, determining for ourselves which services and providers we will use to provide outstanding provision for our children. There is real strength in coming together with a collective responsibility for all of the children's development and progress between 0-19 years.

Our Vision:

Delivering educational excellence through aspiration and collaboration.

Our Values:

Partnership and Collaboration

Our schools support each other, by sharing expertise and resources, to ensure improvement.

Equity and Distinctiveness

We celebrate the individuality of each school and all in it. We are proud to be at the heart of our local communities.

Holistic Lifelong Learning

Excellence

We provide a high-quality education to enable all students and staff to aspire, thrive and succeed.

Organisation - How we work:

All our schools are successful. Of course, we recognise that we need to continually improve and evolve. The priority is to enable every school to continue to provide an excellent education for all our students while protecting their role at the heart of the community, along with our unique qualities and strengths.

There is a balance as to the responsibilities delegated to schools and those that are the responsibility of SAST. The focus is to continually evaluate, improve and develop through strong, effective and accountable leadership at all levels. The aim is to establish clear, simple and effective accountability including slim and streamlined governance.

Partnerships:

Partnership and collaboration is a core feature of all our schools – a genuine desire to be outward-facing, to use the best ideas from across the world. The schools have always worked closely together across Dorset and Somerset.
