About Us

In November 2016 the school converted to academy status joining the Thrive Co-operative Learning Trust (formerly the Yorkshire and the Humber Co-operative Learning Trust) as a founder member.

Values and Ethos

At Chiltern we recognise every child's right to a broad and balanced education in a safe environment that nurtures talent, creativity and individuality in all its forms. We aim to equip every child with the academic, social and creative skills to flourish in a diverse, exciting and ever-changing world.

We strive to develop confidence, resilience and high self-esteem in all learners so that they are able to persevere in times of difficulty and see mistakes not as failure but as opportunities to learn.

We celebrate diversity and together we learn to value and respect each other's views, beliefs and ways of life.

Our Values

Thrive Mission Statement *Inspiring pupils to thrive in life*

Thrive Co-operative Learning Trust **understands thriving to mean learning**, and learning to mean **growing in knowledge, self-reliance and in responsibility towards others**. Achieving this will allow pupils and staff to **develop a sense of agency and co-agency**, which is the awareness that we are powerful and can affect change, that life is something to be grasped rather than something that happens, and that we have maximum impact when **we work together for the common good**. This sense of agency plays out at three scales as it affects the future of **the individual, their community (local and national), and their planet**.
