MESSAGE FROM THE TRUST

Dear Applicant,

We are delighted that you are considering applying for a role within Omega Multi-Academy Trust. Your interest comes at an important and exciting time in the development of the trust and the implementation of our new three-year strategic plan. Our mission and aims sit at the heart of our strategy; to provide the best school experience possible for every child, and to be the best employer we can be.

Formed in 2018, Omega Multi-Academy Trust is a cross-phase group of seven schools serving the Warrington Borough and the City of Liverpool. Our schools are firmly rooted in their communities and respond to their needs with local understanding and knowledge, retaining their unique identities. We strongly believe in the power of genuine collaboration and school-to-school support, so as a trust, we exploit every opportunity that arises to embrace the sharing of best practice, celebrating our many strengths whilst learning together from our mistakes.

We pride ourselves on nurturing a culture of inspiring education which emphasises the knowledge, skills and experiences that will enable pupils to be resilient and aspirational. We invest in our staff and embed innovative, high-quality teaching and learning into our curriculum whilst keeping the best interests of our students at the heart of everything we do.

In my role as Chief Executive Officer, it is a privilege to witness the drive and determination of our staff who have welcomed our new strategic vision so enthusiastically. The strategic plan, as well as having a necessary focus on school improvement as standard, includes a focus on you, the people who help and support our children and young people to stay safe and thrive.

If we are successful in our mission, we will have ensured our schools provide:

- World-class teaching that promotes exceptional learning.
- Bespoke pastoral care that nurtures our students' aspirations.
- Inspiring learning environments, where our students can make mistakes and overcome them to become the best version of themselves.
- Industry-leading professional development for all colleagues, investing in our teams to support them in fulfilling their personal and professional ambitions.

The hard work is paying off and whilst we know our work is far from complete, we are proud to have reached some key milestones. We have achieved:

- Extremely positive outcome from Ofsted's Summary Evaluation of our Trust, commenting on our rigorous approach to staff development, our development of leaders and our strong commitment to staff wellbeing. Inspectors commented that our offer makes Omega Multi-Academy Trust an attractive employer.
- Strong outcomes in each of the Ofsted Inspections
- Strong outcomes in Early Years, Key Stage 1 and Key Stage 2.
- Strong or improving outcomes in both Post-16 and GCSE examination cohorts at our two Secondary Schools.

Our dedicated staff and committed team of Trustees and Governors are relentless in their aim of creating truly world-class schools. Our Headteachers are empowered to create schools that reflect the communities they serve, yet we encourage our schools to be externally focused, obsessive in their quest to learn from the very best, never leaving opportunities for improvement to chance. We see vacancies such as this as an opportunity to attract new talent, bringing the best practice into our trust. By joining us, you become a crucial part of the team that will deliver our vision. Together, we will transform lives.

Yours faithfully,

Mr Christian Wilcocks
CEO Omega Multi-Academy Trust

MESSAGE FROM THE HEADTEACHER

Thank you for your interest in joining Park Road Community Primary School.

Park Road Community Primary School is a one-form entry school. Our children sit at the heart of our learning community, together with our teachers and support staff, our parents and our Governors and Trustees. Collectively, we are committed to ensure our children receive the very best provision and care. Park Road is an exceptional school where respect and tolerance permeate throughout. Our children are treated as individuals; they are allowed to flourish and as such as they feel safe and valued.

We continually evaluate and develop our quality of education and are relentless in our pursuit of excellence. We are passionate about giving equal value to the wider curriculum so our curriculum is innovative and enhanced by enriching experiences that we have planned carefully to maximize children's learning. Our drive to provide an exceptional quality of education is consistently strong. Development is encouraged for all so staff feel valued; teamwork is a strength of our school. As a result, our school was judged by Ofsted as 'Good' overall in April 2022 and our end of key stage outcomes are above national outcomes.

We are very proud of achieving an accredited 'Wellbeing Award for School'. Our school offers a place of emotional wellbeing and support for both children, staff and families as we provide mental health provision for all. Ofsted reported that, "Governors, members of the Trust and school leaders have a clear understanding of the strengths of the school and the areas that require further development. Leaders are considerate of staff's well-being and have taken steps to reduce workload. This helps staff to feel valued and appreciated."

Our school is unique in so many ways; we have home-bred chickens, guinea pigs, a tortoise, gerbils and fish. We grow our own vegetables and have developed a wonderful outdoor space to enhance learning, which includes our pond and forest school area. Children have a range of opportunities to share their voice and develop their leadership and influence on their school's development. When our children speak, we act and this enables pupils to see that their voice matters. This development was identified as a strength in our most recent Ofsted report.

Park Road is one of six schools who are part of the Omega Multi-Academy Trust and staff benefit from strong collaboration, network opportunities and a broad and varied professional development programme. We work closely with our trust colleagues to strengthen our school improvement offer and professional development opportunities. The Trust's values, strategic vision and direction empower our school to be the best we can be and we are always supported to achieve this. Our school, and the Trust, fully support career pathways for the development of all staff, continually improving teaching and learning and therefore ensuring the best outcomes for all children and staff. During my time at Park Road I have been provided with excellent support and CPD, allowing me to develop the skills and leadership qualities.

My vision for the school moving forward, is to continue on our journey towards excellence. Children's happiness is our main priority, as we know if children are happy and nurtured, they will always be able to thrive and subsequently be the best possible version of themselves. This is an exciting time for our school and we are looking forward to the next steps in the journey ahead.

In joining Park Road Community Primary School and Omega Multi-Academy Trust you will be joining a forward thinking, reflective and driven organisation whilst working within a community-based primary school. If you are keen to develop in your career as you work with all our colleagues, parents and the wider community and are passionate about all children achieving their true potential then the role at Park Road Community Primary School is a wonderful opportunity.

Yours faithfully,

Mrs K Quigley
Headteacher

My first role at Park Road CP School was a 1-1 Support Assistant, a role that sparked a passion for me to support and nurture the children in our school community. With the help and continued encouragement of our Senior Leadership Team, I have been able to develop my skills and I am now both a Year 2 class-based Teaching Assistant and also the Early Help Lead within school.

These roles allow me to support children with their emotional wellbeing and understanding as well as working with their families too. I am very passionate about both roles.

Being part of Park Road is enjoyable and rewarding, not a day passes by when we don't smile and laugh. We are a hard working team who have a great relationship with each other - a huge positive for our lovely little school.
