Hand in Hand with Jesus

"Brother, sister, let me be your servant. Let me be as Christ to you. Pray that I might have the grace to let you be my servant too."

Our mission at St Vincent de Paul Catholic Primary School is to educate the whole child through the Gospel values of Christ and provide academic excellence within a Catholic community, where all are loving to learn and learning to love.

Our vision is for our school is to be a happy place where the children can learn, develop and grow in a caring, nurturing environment, which offers creative and enriching experiences for all, developing enquiring minds that are excited by learning.

We are a welcoming and inclusive community that is respectful and tolerant of all religious traditions and beliefs. Through our caring and encouraging approach we aim to foster respect for each other and ourselves.

Here at St Vincent de Paul we have created a learning environment where every child is encouraged and enabled to develop to their full and unique potential as human beings, made in the image and likeness of God. Our environment is rooted in our faith and we hope each person who enters our school community will witness its warmth and feel the spirit of Christ's welcome.

We want our children to develop a love of learning, fostered through teaching which is responsive to individual needs and within a framework of an engaging, relevant and challenging curriculum.

We aim to create aspirational targets for our children, increasing their potential for achievement in life whilst retaining their Christian values and duty to care for all people in God's world.

At the end of year 6 when children leave us, we believe they will have developed the core skills, knowledge and understanding to prepare them for the next stage on their learning journey, as well as for life beyond school.
