Sheffield South East Trust (SSET) formed in 2016 and unites seven local primary schools. The schools within the Trust work closely together for the benefit of the children and communities they serve. There are many opportunities for support, training and networking between the schools.

Wybourn is a thriving and successful school providing a happy and secure environment that encourages learning through a creative curriculum. We are looking for someone to work across school supporting pupils with SEND. Experience of supporting pupils with a range of SEND needs is desirable and applicants should evidence this in their application form

We have developed a 2–11 extended services provision, across the school and nursery. The school and nursery provide quality childcare, education and important services for children and their families. The school has maintained a 'Good' rating from Ofsted.

We offer a supportive, positive environment with a forward thinking, committed staff team and enthusiastic children and parents. We are looking for someone who is well motivated and passionate, a team player who is also able to work independently using their own initiative.

As an organisation we are committed to the safeguarding of all children in our care. The successful candidate will be required to complete a DBS Disclosure in line with Section 115 of the Police Act 1997.

If you wish to apply for this post, application forms and further information can be found on the school website <https://www.wybournlearning.com> under about us/vacancies.
