ABOUT OUR SCHOOL

Our dedicated staff are committed to 'Changing children's lives, building better futures'.

We achieve this through a consistent approach towards understanding the needs and motivations of children and young people ('CYP'); and through recognising and celebrating their efforts and achievements.

As a non-maintained special school, West Kirby School and College caters for CYP, aged 5-19 years, with a range of complex special educational needs and disabilities ('SEND'). We support pupils with social and communication difficulties; Autistic Spectrum Condition; ADHD; PDA; related learning and emotional, sensory and motor needs, across a range of cognitive abilities.

Our aim is for young people to leave West Kirby School and College with **academic accreditations**, together with developed **social, emotional** and **communication skills**. We achieve this through a structured, supportive learning environment with an individualised curriculum, based on relevant and meaningful learning, where CYP make aspirational progress from individual starting points.

In tandem with this, we promote the development of **life skills, personal wellbeing** and **good mental health** through structured activities and adventures, both in and outside school. These enrich learning opportunities and give pupils an appreciation of the wider world, of community and charitable partnerships.

Our broad approach enables pupils to experience and develop **career pathways** which, we hope, will lead them towards a successful adult life. Due to its location to the North West of the Wirral peninsula, West Kirby is able to offer a wide range of opportunities for community relationships, sports, water recreation and natural history. Liverpool and Chester with their wealth of art, culture and history are within easy reach.

The school is close to the centre of West Kirby village and is 200m from the nearest beach and local marine lake.

WELCOME FROM OUR HEADTEACHER

Dear Candidate,

I am delighted that you are interested in joining West Kirby School & College as a **Teaching Assistant Level 2**.

I hope that this information pack gives you a flavour of this role and our wonderful school community.

Welcome to West Kirby School and College, a non-maintained special school initially founded over 100 years ago as a hospice for children. Since that time we have grown and developed into the successful school we are today. Times have changed, but we remain enthused by the opportunity to support, enable and develop children and young people towards realising their aspirations.

Ultimately, we want to support each of our pupils towards '**living their best life**'.

As a team, we are driven to inspire and motivate pupils, ensuring they are equipped with knowledge, skills and experiences which will help them achieve their goals and ultimately reach their full potential. We understand that each child and young person is different and has individual needs. Therefore we tailor teaching, learning and therapeutic interventions - making activities accessible so pupils can flourish and thrive.

Our **nurturing environment, culture of respect**, and **promotion of acceptance and diversity** is a backdrop which allows pupils to grow into young adults, who have an understanding of themselves and those around them.

Our **safe and accepting space** also allows pupils to express themselves so they feel part of our **community**. Coupled with this, we are dedicated to working within our community, using our expertise to offer support to local schools, colleges and parent groups in areas of Special Educational Needs and Disabilities. We are currently developing a programme of free training and support which will be offered across the Local Authority.

As Headteacher of WKS, I would be delighted to welcome you to the school to see for yourself our inspirational environment and for you to meet our equally inspiring pupils.

With Warm Regards,

Mr Richard Hicks
Headteacher
