

TEACHING ASSISTANT required for EYFS

Marie Weller Primary School

SCP3 - £22,737 (full time equivalent)

Commencing September 2024

The Hawksmoor Learning Trust is a small Multi-Academy Trust with a strong reputation and great track record based in South Northamptonshire. We have 4 large, successful primary schools, set in the heart of their local communities in Brackley and Towcester. Our small geographical base enables us to galvanise our resources and work as a team; together, we ensure happy and vibrant schools where doing the best we can for all children in our care is at the heart of everything we do. We have the highest aspirations for every member of our team (adults and children) and place great value upon celebrating achievement and personal development as individuals learn and grow with us.

Marie Weller Primary School is seeking an excellent, energised Teaching Assistant to join our Early Years team both to support individual pupils with high needs as well as assist generally with pupils' learning in class. Ideally, this would be Monday to Friday full school days (8.30am – 3.15pm) or half days (8.30am to 1.00pm).

The post-holder will be reflective, resilient, and forward-thinking, demonstrating reliability as a successful practitioner with a passion for fostering learning in children. Their resilience will shine through a steadfast commitment to professional growth for themselves and in nurturing the resilience of the pupils they teach. With experience in Early Years or Key Stage 1, they will bring a flexible approach, capable of adapting to both whole class settings and individual support. The addition of reliability to their skill set is crucial, ensuring consistency in delivering high-quality education and care. We uphold high expectations and continuously strive to elevate our provision for the children and communities we serve. The ideal candidate will exhibit a robust track record in working with children, be a highly motivated team player, possess the tenacity to inspire pupils, uphold a strong work ethic, and be dedicated to maintaining the high standards of the school and the Trust.

We can offer:

- A great working environment with a tremendously positive ethos and team spirit.
- A highly motivated, talented, and supportive school and Trust team.
- A commitment to professional development.
- Being part of an established school within a close community of Trust schools.

If you are passionate about the education and welfare of children, are enthusiastic and meet the requirements of our Person Specification, we hope you will consider applying to join our team of professionals here.
