About Esteem Multi-Academy Trust

Esteem MAT was formed in 2018 and now consists of fourteen academies from the East and West Midlands. Many of our pupils have special educational needs and/or disabilities or are disadvantaged. Therefore, inclusion is our watchword, and our vision is for Esteem to be a learning community of excellence for SEND and alternative provision in the Midlands. However, we want mainstream schools to join us too as they have many pupils with SEND or who are disadvantaged. We want all our pupils to achieve their full potential whatever type of school they attend.

Our vision is to be a Trust that:

- Leads and supports our academies to provide the highest standards of education and development for all our pupils
- Enables academies with a shared sense of purpose to benefit from alignment whilst maintaining individuality
- Provides a strong, collective voice for our academies at a local and national level
- Delivers support and SEND expertise to our academies and to other schools and local authorities

Our vision will be delivered via our three core strategic aims. Everything we do should be ultimately focused on doing these three things well:

- We will provide an ambitious, inspirational, bespoke education, setting the foundation for the future and ensuring our young people are ready for the world.
- We will deliver high standards and value for money from our support services, resources, estate and technology.
- We will invest in and support our people, exploiting opportunities for collaborative, continual professional development, sharing of expertise and best practice

Our people are our most valuable resource. We invest in them by providing high quality specialist training, opportunities to collaborate and develop their careers within Esteem.

We greatly value each school's unique identity, which reflect the diverse needs of the pupils. It is also important to us that our pupils feel they belong to their school community. This is why we believe that our schools need strong leaders and governors who understand their local context. Being part of a family of schools in a trust brings the added benefits of support and collaboration. We know that sharing ideas and working together are the best ways for our schools to continue to improve for the benefit of all our pupils.

About Bracken Hill School

The school ethos should be felt as you walk around and meet the staff and pupils. We are a small school and therefore are able to prioritise the individual needs of each child. Nevertheless, we have high aspirations and expectations and particularly value co-operative, sharing and group work which represents developing social maturity in young people. Each class teacher has pastoral responsibility for their own class and will always endeavour to maintain good communications with home.

To enhance knowledge, develop skills and provide enriching experiences that enable young people to embrace opportunities and be successful in the modern world.

- We aim to provide a broad, interesting and accessible curriculum, including the National Curriculum, for all pupils.
- We aim to challenge each pupil to perform to the best of his/her ability.
- We aim to help each pupil develop the skills they need towards independent and responsible living.
- We aim to help meet each pupil's personal priority needs alongside parents, carers and relevant agencies.
- We aim to provide pupils with a wide range of age appropriate experiences that helps to foster functional daily life resilience.
- We aim to help develop relationships characterised by kindness, helpfulness and respect.
- We aim to enable each pupil to confidently participate in, and contribute to, their local community life.
- We aim to foster knowledge and respect for other people, nationalities, beliefs and ways of life.

At Bracken Hill school, every individual is valued for who they are and what they contribute to the school. Values are intended to support the personal, social and spiritual development of every pupil throughout the school. Through these values we aim to:

- Promote positive behaviour, conduct and self-confidence by developing strong values within the pupils at the school.
- Develop pupils understanding of what values are and why they are important in life.
- Encourage children to 'live the values' in all aspects of their lives both in school and out.
- Promote values to pupils in every aspect of school life.
- Promote values in the way in which adults interact with each other and with pupils
- Display our school values and encourage all visitors to take account of them in their time in the school.
- Enable children to focus upon the positive aspects of themselves that they can value, thereby reminding them of their individual worth, their worth in the school and wider communities and the worth of those communities themselves.

Esteem Multi-Academy Trust's Safeguarding Policy applies to all adults, including volunteers and agency staff, working in or on behalf of the MAT.

Each student's welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with special educational needs and disabilities, those living in adverse circumstances. We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world positively. We recognise that some children who have experienced abuse may harm others. We will always take a considered and sensitive approach in order that we can support all students within our academies.

The MAT pays full regard to the DfE 'Keeping Children Safe in Education September 2024' guidance. We ensure that all appropriate measures are applied in relation to everyone who works for the MAT who is likely to be perceived by the students as a safe and trustworthy adult including volunteers and agency staff. As part of our safer recruiting practises, we scrutinise applicants; verify their identity, academic or vocational qualifications, obtain professional and personal references, check full employment history and ensure the applicant's health and physical capacity is suitable to undertake the role. Interviews and DBS checks are also undertaken.

This post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as "spent" must be declared.

If you are currently working with children, either paid or voluntary, your current employer will be asked about disciplinary offences, including those related to children or young people (whether disciplinary sanction is current or time-expired), and whether you have been the subject of any child protection allegations or concerns and, if so, the outcome of any investigation or disciplinary proceedings.

If you are not currently working with children, but have done in the past, that previous employer will be asked about these issues.

Where neither your current or previous employment has involved working with children or young people, your current employer will be asked about your suitability to work with children and young people, although it may be answered "not applicable", where appropriate, if your work has not brought you in to contact with children or young people.
