Welcome from Paul Hemmings, Headteacher

Welcome and thank you for your interest in working with us at Oakmoor School.

It is an exciting time to be joining our brand new, vibrant school where all staff are valued and their contribution to the organisation as a whole is recognised. We are a highly collegiate staff and are surrounded by like-minded, high calibre colleagues.

Our professional support team are well regarded by teachers and students. The team is seen as critical to the success and continued development of the school. Every member of the team genuinely cares about our school, our students and our local community.

Professional development and career progression is often seen as limited in schools. At Oakmoor we encourage staff to develop and many of our professional support team have been successful with internal promotion in recent years. This provides excellent continuity for the school and allows colleagues the opportunity to progress whilst remaining in the school they enjoy being part of.

We have an excellent professional support team at all levels who share our goal of every child achieving their very best whilst enjoying a rich and varied curriculum with plenty of opportunities to excel outside the classroom.

I extend an invitation for you to visit our school and discuss the post with me in more detail. Vicky Ross, PA to the Headteacher, will be pleased to make arrangements for you and can be contacted at v.ross@oakmoor.hants.sch.uk or telephone (01420) 472132.

About Oakmoor School

Oakmoor School is a brand new, state of the art secondary school situated in a 22 acre tree lined site on the edge of the South Downs National Park.

We are a friendly, vibrant school with high standards and expectations. We pride ourselves on knowing every young person as an individual and challenging each of them to have the highest possible aspirations. The Oakmoor ethos is encapsulated by our motto: *Ambition, Courage, Excellence*.

Students at Oakmoor display excellent behaviour in lessons and around the school. Teachers plan highly engaging lessons tailored to the needs of our students allowing high levels of progress to be enjoyed. Students benefit from a wealth of extra-curricular activities, including trips and visits to enrich their experience at our school.

We benefit from cutting edge technology throughout the site and the latest specialist equipment for key areas such as science, technology and performing arts. Our main buildings surround a central court yard which includes covered areas for outside dining and seating areas outside of the learning resource centre for reading at break and lunch times.

There is an abundance of green spaces which include several sports pitches, an athletics track, a nurture garden and a forest school area for outside learning and activities. The whole site is bordered by mature trees providing a relaxing and inspirational backdrop to our inspirational learning environment.

We are a very successful school where high levels of respect and conduct prevail. Our success shows that when you couple high quality pastoral care with high standards and expectations, young people are able to flourish and to achieve their very best.

Visitors comment on our purposeful learning environment and our delightful students. To experience this for yourself, you are most welcome to arrange a tour of the school by contacting our office.

Working at Oakmoor School - A View from our Staffroom

At Oakmoor you are trusted to deliver high quality lessons. You can deliver high quality lessons because the school has worked extremely hard to reduce the administrative burden for their teaching staff freeing our time to focus on what is most important, the progress of our students. I can genuinely say coming to school each day is a pleasure!

Mr Riley, Computing Department

Since joining Oakmoor School as a NQT in 2015, I have had the support of my colleagues every day, and have always felt trusted and valued as part of the team.

Mrs Carter, English Department

I have worked in quite a few schools during my working life and I can honestly say that none of them compare to Oakmoor. There is a really nice sense of belonging and knowing that you are all equally part of a team, we are all striving for the same thing...to better the school, to make a happy working environment, to give students and staff the opportunity to learn new things and to be encouraged to shine. With all of this in place results come naturally....

Mrs James, Senior Science Technician

There has been a real focus on reducing workload and unnecessary meetings. This has resulted in fewer after-school meetings. Even more significantly, we now have a whole-class feedback policy which has reduced time spent marking and given staff more time to focus on planning for progress.

Mr Denton, Mathematics Department

I have worked at Oakmoor School for over 14 years. In those years I have loved working here. We have a special staff team who are extremely supportive of one another. The students I work with are appreciative of the work I do and are always grateful for the time I give to help them.

I have been given many professional development opportunities over the years which led to my current role as Academic and Pastoral Leader.

I always said I would look to work in another school after 5 years of arriving but the wonderful students and staff have kept me here.

Mrs Hale, PE & Technology Departments

I have worked at Oakmoor School since September 2018 and, as a new member of staff, have been really impressed by the warm and friendly environment around the school. The staff work collaboratively and the pupils' well-being is at the heart of everyone's work. Coming from a primary background, I like how the year 7s are welcomed into the school and I think the mixed mentor groups is a real strength, providing a great sense of togetherness amongst the year groups.

Mrs Pullinger, English and Mathematics Department

Working at Oakmoor as a teacher is an absolute pleasure. This is my third year at Oakmoor School and feel so lucky to have such an amazing classroom environment. Everything a teacher could wish for, lots of cupboard space, visualizers, interactive whiteboards and space to create displays. The team at Oakmoor is supportive and it feels like a family".

Mrs Sutehall, Head of Humanities

I have worked as the Exams Officer at Oakmoor School for almost 3 years. Oakmoor provides students with the necessary knowledge, skills and attitude for their development, which ensures a wider scope and prospective about education and what career choice to make in the future. My work colleagues are very supportive and friendly, which creates a sense of community and team spirit.

Mrs Kelly, Examinations Officer

University of Chichester as sponsor

As a University we believe education has the power to transform society and we should play a role in enabling people to exceed their own expectations, creating a positive impact on our local and regional communities.

Our belief is all schools can be successful and that student progress and the retention and growth of high-quality teachers should be at the heart of our work. We have years of experience in working with outstanding and improving schools as well as those less successful and were proud when we established the Academy Trust in 2012.

We believe there are five key factors that distinguish the University of Chichester as an academy sponsor:

- Teacher training and schools have been fundamental to the University since 1839;
- Tailor-made solutions designed on merit not a one size-fits-all compliance model;
- Wide ranging experience of working in partnership with a rich variety of schools backed up with school focused CPD and classroom-based action research;
- The University is judged as a good provider of Initial Teacher Training;
- High quality teaching and learning, recruitment, training, development and retention are all at the heart of the University ethos, which is shared by the Trust.

'The headteachers and chairs of governors of all of the schools play an important role in the leadership of the trust through forums such as the termly advisory group. Consequently, officers, headteachers and members of local governing bodies share a strong sense of common purpose.'
