## Job Details

### Job Purpose

- To support Parkgate's mission of 'Opening the Gate to Success' by working as part of its pastoral and SEND teams to foster a safe, inclusive, and nurturing environment rooted in attachment and trauma – informed practice.
- To provide specialist support for pupils whose social, emotional, or behavioural difficulties arise from traumatic experiences or insecure attachment, helping them to regulate, build positive relationships, and access learning.

### Duties and responsibilities

Under the direction of the Head Teacher and Overcoming Barriers to Learning Team Leader:

#### 1. Trauma-Informed Direct Pupil Support

- Provide 1:1 and small-group work tailored for pupils with SEMH (social, emotional, mental health) needs, especially where trauma or attachment issues are identified.
- Use evidence-based approaches (e.g., Thrive, PACE and restorative practices) to help pupils develop emotional regulation, self-awareness, and resilience.
- Support pupils in **"calm areas" or "safe spaces"** — for example, Parkgate's "Corridor of Calm" — to reset, self-regulate, and re-engage.
- Reinforce pupils' use of coping strategies taught through PSHE, Thrive sessions, mindfulness, and breathing techniques.
- Build trusting relationships with pupils, modelling consistency, patience, empathy, and respect, aligning with the school's value of 'no barriers to learning'.

#### 2. Behaviour Intervention, Planning & Monitoring

- Help develop, deliver, and review **Individual Behaviour Plans (IBPs)**, **Risk Reduction Plans**, and **Positive Handling Plans**, ensuring they are trauma-sensitive and rooted in understanding attachment disruption.
- Use the school's Relationship, Behaviour and Welfare Policy to monitor and record behaviour incidents, making connections to underlying emotional needs rather than simply responding to surface behaviours.
- Collaborate with external professionals (clinical psychologist, play therapist, family support workers, OB2L team, etc.) to coordinate consistent, trauma-informed support.
- Contribute to multi-agency assessments and planning for pupils who may need additional SEMH or trauma-informed support.

### **3. Facilitating Engagement in Learning**

- Work with teachers to adapt classroom tasks and scaffolding to reduce triggers or dysregulation for children who have experienced trauma.
- Encourage positive reinforcement, reassurance, and restorative conversations, using the school's core values (Aspiration, Resilience, Pride, Challenge) to anchor behaviour-for-learning.
- Help design and deliver structured interventions or social-emotional learning (SEL) sessions (e.g., Thrive check-ins, PSHE) to build pupils' confidence, self-regulation, and relational skills.
- Support at transition points (e.g., warm starts on arrival, break times, movement between lessons) to reduce anxiety and promote resilience.

### **4. Safeguarding, Well-Being & Emotional Safety**

- Be alert to signs of distress, trauma triggers, or safeguarding concerns; respond in a calm, trauma-informed way and refer concerns promptly.
- Champion children's well-being by modelling and teaching self-regulation, emotional literacy, and calming strategies.
- Support pupils through dysregulated behaviour using de-escalation strategies that prioritise relational repair and emotional safety rather than punishment.
- Encourage restorative practices and restorative conversations to rebuild relationships and trust.

### **5. Promoting Attachment-Aware Culture & Ethos**

- Actively promote Parkgate's values (Aspiration, Resilience, Pride, Challenge) in all interactions and support pupils in understanding and internalising the school charter.
- Help maintain and build the "Corridor of Calm" provision and other safe spaces as part of the school's trauma-aware architecture.
- Work in partnership with the **Overcoming Barriers to Learning (OB2L)** team, including learning mentors.
- Support restorative practice and relational approaches across the school, encouraging staff to understand behaviour through the lens of attachment and trauma.

### **6. Professional Learning**

- Undertake regular training attachment theory, trauma-informed behaviour management, safeguarding, and mental health first aid.
- Keep up-to-date with emerging research and practice in trauma-informed education, mental health, and attachment.
- Share knowledge and strategies with colleagues — acting as a champion or model for trauma-sensitive, relational practices.

### **Line management**

- The job involves no direct responsibility for the supervision, direction or co-ordination of other employees. The work may involve demonstration of own duties, or providing advice and guidance to new employees or others.

### **Professional Development**

- Maintain personal professional development to ensure that the knowledge and skills required to fulfil the role of Teaching Assistant are up to date.
- 
- Be a professional role model, and understand and promote the aims of the School and the values of the Trust.
