Dear Candidates

We are looking to appoint a Teaching Assistant on part time contract, 8:30 to 1:00, Monday to Friday for one year, starting from September 2025.

Clifford is a small school on a big journey. We hope that by focusing on everyone we can put the **All** back into Clifford All Saints C of E Primary School.

In the 18 months our infant and junior children have **all** come together on a single site, we have become part of James Montgomery Academy Trust (JMAT), and I have joined the Clifford family as Head teacher. Together, we are embracing **all** the opportunities that this next chapter of our story offers and we are now looking for a new teacher to join us.

I hope this Recruitment Pack gives you a brief insight into what a wonderful place Clifford All Saints is and I look forward to meeting you if you choose to apply.

Kind regards

"Home and school work together collaboratively."

ALL together...

#joinclifford

We plan for our curriculum to be exciting and engaging with lots of meaningful learning opportunities.

We delight in the knowledge that our children are the future and should be nurtured to learn and succeed in a supportive environment.

We value wisdom and hopefulness and want to provide opportunities for children to explore and enjoy the wider curriculum.

We want our children to **aspire** to becoming the geographers, historians, artists and more of the future.

ALL aspiring...

"Their successes are celebrated and knowing that the staff are cheering our child on means so much."

#joinclifford

Our curriculum is **relatable** and **context driven** to help children make strong, meaningful links between all subjects and enables them to transfer knowledge and skills across areas of learning.

We want our curriculum to be **relevant and creative** to ignite the enthusiasm of all children so that they recognise the importance of all learning in their own lives.

Our curriculum is a **clear and coherently planned progression of knowledge and skills**, sequenced so children can embed and use new learning as well as **to building on prior learning** fluency.

We want our curriculum to be **built on the interests of our children** through providing **challenging** learning opportunities for every child to develop and discover their character, interests and talents.

ALL achieving...

"Being a one form entry school, our child never feels lost. All the staff know them and help them to achieve their potential."

#joinclifford

Our curriculum intent sets out the aims that we have as a school community for the programme of education that is followed at Clifford All Saints. We decided what the main priorities or drivers for our curriculum would be:

Creative	Opportunities to build on prior learning	Special and unique to Clifford	Relevant
Thorough and not rushed	Reflects the diversity of our school	Inclusive	Exciting and engaging
Immersive learning opportunities	Clear, coherent progression of knowledge and skills	Provides meaningful role models	Relatable and context driven
Built on the interests of the children	Aspirational	Quality over quantity	Challenging

ALL learning...

"We are especially grateful for how the staff have recognised and celebrated our child's strengths, boosting their confidence and encouraging them to thrive."

#joinclifford

We want to ensure our curriculum is inclusive as well as being exciting and engaging.

Our curriculum is inclusive and strives to ensure all children with appropriate scaffolds can access all subjects.

We want our curriculum to reflect the diversity of our school and to prepare our children to live harmoniously in their multicultural community and in multiracial Britain with a strong understanding of the world beyond.

We want to make sure that every child sees themselves in our curriculum. We will endeavour to provide meaningful role models to every child.

ALL valued...

"As parents you spend a lot of time worrying about your child, but the one thing we don't worry about is Clifford!"

#joinclifford

Clifford All Saints Primary School is a welcoming, inclusive community inspired by the love of God, modelled in Jesus Christ, where we aspire to learn, to serve and to live life to its fullest.

At Clifford All Saints we are a distinctly Christian school but never exclusively Christian- we are welcoming of all children and families regardless of their faith background.
