Head Teacher: Clare Allsopp **Number on Roll:** 311 **Age Range:** 7–11 **Scale:** Grade 2 / 3

Grade 2 / 3 Teaching Assistant 1-year fixed term

Radcliffe on Trent Junior School is seeking to appoint an enthusiastic, caring and committed Teaching Assistant to join our dedicated and supportive team to begin on a one-year fixed-term contract dependant on pupil numbers.

We are looking for someone who is passionate about supporting children to achieve their full potential and who will work alongside teachers to provide high-quality support for learning. The successful candidate will support pupils within the classroom and through individual and small-group work, helping them to access the curriculum, develop independence and make progress academically, socially and emotionally.

The role will include supporting teaching and learning across the curriculum, providing tailored support for pupils with a range of needs and contributing to a positive, inclusive learning environment. This will include supporting pupils who may experience emotional dysregulation, helping them to use appropriate strategies to regulate and successfully re-engage with learning. Support may also be provided during less structured times, such as breaktimes, and through movement or regulation breaks where appropriate.

We are looking for someone who:

- Has good literacy and numeracy skills
- Has experience of working with children, preferably within a primary school setting
- Can support pupils effectively within the classroom and through individual and small-group work
- Can follow guidance from teachers and other professionals to support pupils' learning
- Understands how to scaffold learning while encouraging pupils to become increasingly independent
- Can build positive and supportive relationships with children
- Is calm, patient and able to respond positively to pupils with a range of additional needs
- Has good communication skills and can work effectively with staff, pupils and families
- Is organised, flexible and able to work collaboratively as part of a team
- Demonstrates a commitment to inclusive practice and high expectations for all pupils
- Is committed to safeguarding and promoting the welfare of children

Experience of supporting pupils with SEND and/or delivering targeted interventions would be desirable, although training and support can be provided for the right candidate.

The Grade 2 specification requires good literacy and numeracy skills to GCSE/NVQ Level 2 standard or equivalent, but importantly it also allows for relevant prior experience or skills, so I wouldn't make a TA qualification an absolute essential criterion unless your school specifically wants one.

In return, we can offer:

- A welcoming, inclusive and supportive school community
- Friendly and dedicated staff who value teamwork and collaboration
- Enthusiastic children who enjoy learning
- Support from experienced teachers, Teaching Assistants and the SEND team
- Opportunities for high-quality professional development
- A strong commitment to staff wellbeing and development
