

Candidate Brief

Teaching Assistant (Resource Base)

Welcome

Thank you for the interest in this post. EQUA Mead Learning Trust is a family of like-minded schools, that collaborate to provide mutual support, share best practice and learn from each other, whilst retaining and developing each school's individual and distinctive character. We believe every child has the right to an inspiring and fulfilling education and we seek to improve the life chances of all those we serve; therefore, we make it our mission to give **Every Child, Every Chance** of success.

At EQUA Mead, we are an inclusive, passionate and forward-looking educational organisation. We are a Trust of seventeen primary schools, two secondary schools and eight nurseries, all based in Wiltshire. In addition, we have three additional schools joining us in September 2025. Across our schools, we also have four Resource Bases that provide specialist education to children and young people with complex needs.

We believe in the power of education to transform lives and shape a brighter future. We are dedicated to fostering a strong sense of community where everyone works together to achieve their very best. At all of our schools, we do all we can to enable each child and young person to realise their full potential and to develop positive social and moral values.

We understand that successful schools are rooted in their local community. We respect and value the individual nature and ethos of each school while knowing we are more effective when we work together and support each other. We are a mixed Trust that benefits from both church and non-church-based schools and we actively celebrate this diversity. We are highly inclusive and collaborate closely to promote a culture of openness and integrity.

We thrive on providing a wealth of support to schools and seek to empower school leaders. Our CPD, NPQs, ITT, networks, training, research programmes and range of courses underpin a comprehensive development programme for all staff, whilst ensuring wellbeing is at the centre of all decision making.

We have lots more information about EQUA Mead on our website (www.equamead.org), however, If at any stage, you would like to find out more, please do feel free to get in touch.

Every Child, Every Chance

The Grove Primary School

Headteacher: Stuart Woodburn

Address: Grove Primary School, Hazel Grove, Trowbridge, Wiltshire BA14 0JG

Contact: finance@thegrove.equamead.org | 01225 755242 | www.grove.wilts.sch.uk

Based in the heart of Trowbridge, The Grove Primary School has nearly 400 children and 60 staff, making it one of the largest primary schools in Wiltshire. The school has a happy and welcoming atmosphere and not only does 'Every Moment Matter' but 'Every Child Matters'.

We endeavour to provide a safe, secure and stimulating environment where children enjoy their learning and thrive. We are proud of our school and committed to raising the attainment of all our children; it's our aim to ensure a culture where every child can flourish academically, socially and emotionally. We strive to ensure our pupils establish strong roots and develop healthy and adventurous wings.

All learning, all day and every day happens within a safe, happy and supportive environment which recognises and celebrates each child's unique talents, skills and interests. We endeavour to provide many opportunities for our children's voices to be heard and we always listen carefully. We want them to help make their school community an even better place!

We are extremely proud of our children and we support them to have self-discipline, tolerance and a sense of responsibility for themselves, others and the environment.

We are currently undertaking a fantastic building project, replacing old modular buildings with brand-new, state of the art facilities for children, staff, and those in our local community. The project will also facilitate the opening of a new Resource Base, which will provide 20 specialist places for children with communication and interaction needs.

"Strong relationships exist between adults and pupils, creating a very positive atmosphere for learning. Pupils feel safe, happy, behave well and enjoy their learning."
