Welcome

The school is fortunate to have hugely-committed staff who give their all, take Public Service seriously and are keen to provide extra-curricular activities in a multitude of areas. John Kyrle aims to provide all students with a life-enhancing secondary school experience where students feel happy and secure yet challenged.

John Kyrle is a popular and oversubscribed high school with over 1400 students who are drawn from the town of Ross and the surrounding rural areas. The school is located on the Ledbury Road about half a mile from the Market house and adjoining the dual carriageway. John Kyrle High School is organised on a year basis with form tutors and a head of year responsible for the pastoral care and monitoring of students. We also have a team of highly experienced Pastoral Support Assistants. Form tutors stay with their tutor groups from Years 7 to 11. A head of sixth form oversees Years 12 and 13.

The sixth form is accommodated in a purpose-built block which contains a common room, kitchen, study rooms and superb ICT facilities. Admission to the sixth form courses is open but preference is given to those students who achieve two grade 5s in subjects including English and Maths. Those who achieve grade 4s may still be admitted but this will be in consultation with staff. Sixth form courses include a wide range of A levels. Students show good progress and attainment at KS4. Progress in the sixth form places us in the top 2% of schools nationally for A level.

John Kyrle High School encourages students to participate in the many societies. Out-of-school activities and clubs exist to suit a wide variety of students' interests. Overseas study visits to Europe, Africa and North America and a large number of sports teams which represents the school at rugby, soccer, hockey, netball, athletics, cricket, tennis and rounders, are just some of the activities offered.

The school has excellent facilities, including sports fields, an all-weather sports surface, tennis courts, a specialist drama studio, a purpose-built art and ceramics facility, and a modern library. There are also technology workshops, a music-technology suite and practice rooms, computer and business rooms, language lab, a gymnasium and an on-site sports hall which are used extensively. Our tennis and netball courts have just been refurbished and are a fantastic addition.

There is a strong tradition of music, drama and art at the school. A recent increase in student numbers has led to the installation of additional classrooms. A new Maths Centre of Excellence has been opened with 10 specialist Maths classrooms and a shared study facility for A-level students and staff. Our latest development, a new science block with six large specialist laboratories, was opened recently.

Partnerships with parents and the wider community are high on our list of priorities in order to help every student achieve his or her potential.

Our school motto is '**Carpe Diem**' - **seize the day!**

We try to live up this motto.
