## TEACHING ASSISTANT

There is an exciting opportunity for a suitably qualified person to join this high achieving selective school for boys. The post is required September 2022 for 35 hours per week on a term time only basis and the salary will be £15,512.39 (pro rata to £19,612 for a full time appointment on HGS4).

As a Teaching Assistant, you will be supporting our pupils, with SEND, both inside and outside of the classroom, to support their progress. You will work closely with class teachers, House teams and our SENCO to support pupils. This post will initially involve working directly, one to one with a pupil on our roll with a physical disability to support his needs in the classroom and around the school site.

Good levels of literacy and numeracy are essential. Experience of working in schools and supporting pupils with SEND would be desirable but it is not essential if the successful candidate is willing to undertake relevant training with us.

Full details of the requirements of the post can be found in the job description. Applications are welcomed from candidates regardless of age, gender, ethnicity or religion. Appointment of the successful candidate will be subject to satisfactory references, verification of identity and right to work in the UK, medical report and enhanced DBS disclosure.

If you think you are the person to join our team and contribute to the support offered to all areas of the school, please complete the application form from our website.
