About the Academy

The Shoreline Academy is located in North Devon. There are two sites, one located in Barnstaple for secondary pupils and the other located in Bideford.

Our Bideford site hosts our Primary and Nurture pupils; we aim to focus on emotional needs and development in a whole-academy environment. We recognise that all children are different and learn at different rates. Individuals should feel supported and challenged in their learning. Sometimes children face barriers to learning; in a Nurturing environment staff provide support, guidance, and model positive relationships.

Our aim is to work closely with primary and secondary schools in North Devon and beyond to provide support to the most vulnerable pupils.

Our pupils come to us at various points throughout their schooling, usually as a result of their school placement having broken down. Our purpose is to support pupils to create an environment where everyone can grow and develop, as they become responsible citizens and lifelong learners. Our role is to help pupils get back on track, either through a transition to a more permanent education setting or, for our older pupils, by completing Year 11 with The Shoreline Academy.

We work closely with a diverse range of outside agencies both statutory and voluntary so that our pupils and their families can access the support and guidance they need. We are committed to tailoring our curriculum to meet the needs of our pupils, developing a range of skills knowledge, attitudes and understanding so all our pupils can aspire to reach their full potential.

Wave Trust: What we believe and what we do

Who We Are

Wave are an established and successful Multi Academy Trust, comprising of Alternative Provision Academies (APAs), Medical Academies (including Cornwall Partnership NHS Foundation Trust's child and adolescent mental health unit 'Sowenna') and a Special Academy.

We provide education for vulnerable pupils aged 4 – 19 across Devon and Cornwall. The Trust has a national reputation for the delivery of outstanding pupil outcomes including enabling pupils to access the most appropriate education setting and transition to employment, training and higher or further education. The Trust educates over 1000 pupils and employs over 350 members of staff.

We Aim To

- Provide a balanced and broad curriculum that promotes the spiritual, moral, cultural, mental and physical development of pupils and prepares them for the opportunities, responsibilities and experiences of adult life.
- Give access to the National Curriculum; provide opportunities for external accreditation, and, for those pupils with specific learning difficulties, effective and personalised programmes.
- Ensure all pupils are supported to develop positive attitudes towards themselves and others. Promoting emotional well-being and self-esteem; helping our pupils to recognise their potential and work positively within their community.
- We will respect all pupils and encourage them to become active participants in their own learning, develop confidence, independence, self-esteem and express their needs and desires.
- Seek effective and positive working relationships with pupils' families, schools and other agencies.
- Enable effective outcomes for our pupils.
