Dear Applicant,

Thank you for considering joining our wonderful team at Weeton St Michael's CE Primary School. As Headteacher, I am delighted to introduce you to our school and share what makes it such a special place to work and learn.

Nestled in the heart of our village, Weeton St Michael's is more than just a school—it's a community where children, staff, and families come together with a shared purpose and vision. Our core HEART values—Happiness, Empathy, Achieve, Respect, and Trust—are not just words on a page; they guide our decisions, shape our culture, and define our aspirations.

At the heart of our vision is the belief that "From small beginnings, great things grow." Inspired by the parable of the mustard seed, this message underpins everything we do. While we may be a small school, we are deeply committed to nurturing the potential within each child, helping them to flourish and grow into confident individuals. Joining our team means sharing in this belief and helping to inspire our children to dream big and reach their full potential.

Working as a SEND Teaching Assistant at Weeton is an incredibly rewarding experience. With small class sizes and a strong focus on individualised support, you'll have the opportunity to make a real difference to children's learning and well-being. Your role will be vital in helping pupils with additional needs to access the curriculum, build confidence, and develop the skills they need to thrive.

Our staff team is one of our greatest strengths. At Weeton, you will find a welcoming, collaborative group of colleagues who are always ready to offer guidance, share ideas, and provide encouragement. You can expect to feel valued and supported every step of the way as we work together to ensure every child achieves their best.

This is an exciting time to join us. Following our recent 'Good' OFSTED rating, we are eager to continue developing and enhancing our provision. We are looking for a caring and dedicated SEND Teaching Assistant who shares our commitment to excellence, embraces our Christian ethos, and thrives in a collaborative setting.

If this sounds like you, I warmly invite you to come and see our school in action. Walking through our corridors and stepping into our classrooms will give you a real sense of who we are and why we're so proud of our school. I look forward to meeting you during a school tour and sharing more about the exciting opportunities awaiting you at Weeton St Michael's.

Thank you for considering this role. I wish you all the best with your application and hope to welcome you to our school community soon.

With warm regards,

Luke Smith

Headteacher
