Information to Candidates

GUIDANCE NOTES

These notes are to assist you in completing the enclosed application form. The application form is used to make an assessment against the criteria stated in the person specification for the position, and consists of three parts:

PART 1 is used for shortlisting, interview and assessment processes and is submitted to the interview panel. Part 1 must be fully completed.

PART 2 will be separated from part 1 upon receipt. Relevant contents from part 2 may be verified prior to shortlisting but will not be used for selection purposes.

PART 3 is used for administrative and monitoring purposes only. Part 3 of this form will not be used during the selection process.

SAFER RECRUITMENT

The post for which you are applying is subject to safer recruitment measures. This is because it involves working with children and young people.

It is vital that the Trust adopt robust recruitment and selection procedures, and other human resources management processes that help to deter, reject, prevent, and identify people who might abuse, or are otherwise unsuitable to work with children and/or young people within the Trust.

The Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share in this commitment.

Safer recruitment measures include rigorous checking of information you supply about yourself in your application

e.g., verifying employment history, qualifications, references, enhanced Criminal Record / Barring List Check, and assessment of your suitability considering safeguarding and promoting the welfare of children and young people.

It is important that in support of your application you comply with our requirements by completing the application form in full, and promptly answering any queries we may have on your application. Failure to assist with enquiries will lead to your application not being considered.

DATA PROTECTION

The information you provide on the Application Form will be used to assess your suitability for the post and will be viewed only by those involved in the recruitment process. If you are appointed, the information will be used to create your employment record. If you are not appointed, it will be destroyed after 6 months, except in the event of a dispute.

By submitting this form, you are consenting to the recording and use of the information for the purposes mentioned above.

A selection panel is formed, made up of not less than two people, usually including the manager of the job advertised. To shortlist, each panel member then compares the information on Part 1 of your application form against the essential criteria on the person specification. Should it be necessary to reduce the number of candidates for interview a further review against desirable criteria will be carried out. In the interest of Safeguarding, we reserve the right to request a reference from your current or most recent employer and any previous employer/education establishment, regardless of whether you have indicated such employers. If shortlisted, we will contact referees.

Should you object to any referee or previous employer being contacted you will be asked for an explanation for this. Should the reason given be unacceptable to the Trust or the decision to delay taking up the reference be likely to cause an unacceptable delay in filling the vacant post, you will be contacted to be advised as to whether we intend to request references prior to interview or that your application will not be progressed any further.

If you have not received a response within 4 weeks of the closing date your application has been unsuccessful.

GENERAL INFORMATION FOR APPLICATION COMPLETION
