Roding Primary School and Nursery with provision for deaf children is a welcoming school where everyone is '**Free To Achieve**'. The dedicated staff, amazing group of children and committed governors work hard to support strengths, improve weaknesses and remove any barriers that may prevent reaching potential. To this end we work as a team, following the school values:

At Roding we are:

Aspirational, Confident, Honest, Independent, Enthusiastic, Valued, Excellent, Respected, Successful

We are looking for an experienced Teaching Assistant to join our large, friendly and very committed team of Teaching Assistants to provide a combination of in class, individual and group interventions for our Roding children.

Previous experience of working with children whose needs include ASD, ADHD and/or SEMH across a primary school would be desirable.

We are looking for a Teaching Assistant who already has experience and expertise around speaking and listening or who is willing to undergo training.

This will enable us to better provide for children who have a need in this area and will ensure that we have someone in the school who can advise and support in this area.

Shortlisted candidates will be invited to attend a further selection process, which will include a short practical task with children, a maths test based on expected Year 6

At Roding we are all 'Free to Achieve'

We can offer you:
