Information for Candidates

MacIntyre Academies Trust opened its first academy, in Headington, Oxford in September 2014. Endeavour Academy is an exciting Academy School for children and young people with autism and associated severe Learning Difficulties aged from 9 to 19 years old.

MacIntyre, a national charity founded in 1966 by the parents of a disabled child, is delighted to have been chosen as the sponsor for this new Academy. With over 40 years of experience in providing specialist provision for over 1,000 children and adults with learning difficulties and autism across the UK, MacIntyre has developed a strong reputation both nationally and locally in Oxfordshire, as a high quality, person centered organisation.

Currently, in Oxfordshire, a significant number of children and young people with autism are placed in out of county residential placements. Many parents and carers have told us that they would prefer their child to be as close to home as possible. We also understand that there is a gap in specialist provision in Oxfordshire and the prevalence/diagnosis of autism is increasing. The trustees of MacIntyre (many of whom are family members of people with disabilities) have created the independent MacIntyre Academies Trust and this trust runs the residential special school academy, Endeavour. It is exciting, as young people are able to remain close to their families and friends, but also MacIntyre uses its wider expertise to develop a more integrated approach to delivering our support to all local children and their families.

The school building and residential facility is located in Headington, Barton and has capacity for 30 students and the availability of 6 residential and up to 6 respite placements. The Academy provides some 52 week placements and the opportunity for day placements and some shorter stays (eg weekly, weekend, term- time boarding or holiday residential periods).

As a priority, the Academy welcomes children and young people from Oxfordshire who have a statement of special educational needs that details the provision required to help the child to overcome the barriers to learning caused by their autism. Referrals are through the local authorities who have named the school in individual children's statements.

Letter from the Principal

Welcome to Endeavour Academy, our school and residential setting for children and young people with autism and severe learning difficulties aged 9 – 19. This much needed autism-specific setting has been developed by MacIntyre Academies Trust and Oxfordshire County Council working in partnership to meet the needs of students and their families. Endeavour Academy offers a combination of day school, extended day activities, short breaks and residential care all on the same site.

Our aim is to provide our children and young people with the skills needed to manage their autism so that we can best help them to live purposeful lives. Our curriculum helps to ensure that all students receive a highly personalised, relevant education. As some of our students will also be living at the school for up to 52 weeks a year, we will offer a waking day curriculum, which focuses on educational, social and emotional development as well as sensory aspects of the curriculum. Communication and sensory integration is embedded throughout our curriculum.

We understand that students with autism have to be presented with learning that is motivating and reinforcing so our staff possess the flexibility and creativity to tailor-make learning opportunities for them and all of our staff undergo a thorough induction and training program. We work very closely with the families of our students to ensure that, they too, feel supported and that they are reassured that their child is safe and happy and that they are respected and celebrated.

I believe we have created a happy and nurturing environment that has an ethos of warmth and understanding. We have a staff team that really understand the needs of children with autism and how they can support them to make the best progress.

If you would like to know more about Endeavour Academy, are interested in working for us or would like to find out more about how we can support you, please do not hesitate to get in touch with our office.

Principal

Our Vision and Ethos

We believe all young people, regardless of disability, deserve the best education possible. We want our students to be ambitious for themselves and we need to be ambitious on their behalf. Therefore our aim is to deliver an 'outstanding' school with outstanding outcomes. A school which is truly family centered with education individualized to each child/young person. The academy provides a healthy, safe and enjoyable environment, with excellent teaching and learning with a focus on high quality personalized education and support. It will evolve according to local needs. Parents/carers are encouraged to be fully involved and connected from the outset.

This project, which will be run in close partnership with Oxfordshire County Council, is particularly exciting to MacIntyre and its Academies Trust as we have for many years been successfully providing innovative and person centered services to local children/young people and their families. Many of these children and families struggle to access facilities and services successfully due to their complex autism, and MacIntyre has established an excellent reputation locally.

By understanding and responding to the current and future requirements of local young people, the academy will be a centre of excellence within Oxfordshire, with a national reputation.

With a curriculum that focuses on developing life skills, communication, wellbeing and on the achievement of each child's full potential, the academy will offer flexible arrangements that meet the needs of individual children and families. Key to the academy's success will be the recruitment and development of a highly skilled, flexible workforce that delivers outstanding education and support, and benefits from MacIntyre Academies Trust's in-depth understanding and experience of how to design bespoke education solutions to children who requires specialist support strategies to achieve excellent outcomes.

We have a holistic approach to supporting behaviour that empowers the child or young person to engage in education.

To achieve this vision, partnership working will be crucial. MacIntyre Academies Trust will work alongside Oxfordshire County Council, staff and stakeholders to ensure that the academy is successful in delivering their strategic aims.
