Welcome

Dear Prospective Candidate,

Thank you for your interest in the position of **Teaching Assistant** at Stocklake Park School.

Stocklake Park School is part of The Vale Federation, encompassing two Special Schools (one primary, one secondary-aged) in Aylesbury across 3 locations. We support children and young people who are amongst the most vulnerable in our society. All children within the school have severe or profound learning difficulties and come to us as our specialist provision is required to support their often wide ranging needs.

Staff working at our schools make a difference to the lives of every child who comes to our school. We work together closely as teams, devising learning programmes alongside highly trained professionals, including speech, occupational and physio therapists to ensure each individual pupil has the best possible chance of reaching his or her potential. Parents tell us the difference our staff make to the lives of their children is impossible to measure. We build strong relationships with children and their families to make the small steps of steady progress that result in big achievements for our youngsters.

Would you like to become part of our team, and be part of transforming a child's life? If you share a passion for making a difference and recognise the value in today's world of supporting the most vulnerable, then we'd like to hear from you. You do not need to have had extensive training prior to starting, just an enthusiasm to work with children and a willingness to learn. We offer comprehensive training from our many in house experts, a full induction programme, and numerous career paths as you progress.

We have high ambitions for all within our schools' communities. We expect the very best for the children and young people that come to us, and the same is true of our staff. We encourage and support all staff to develop and progress their own careers with us, and we have numerous examples of those that start with us as a Teaching Assistant, progress to become a Senior Teaching Assistant and then undertake Teacher training to lead a class. Others have developed expertise within one of the therapeutic fields and followed a career path in that direction.

We take care of our staff. There is a regular wellbeing forum where all staff are represented, we have spacious well-resourced staffrooms with kitchen and IT facilities, a weekly staff bulletin which highlights many of the corporate benefits of being a staff member within Buckinghamshire Council, free on-site parking, and an open-door policy to all on the Leadership Team.

We are a welcoming, forward-thinking, hard-working team and hope you'll take this opportunity to consider joining us. If you would like to find out more about the role or to arrange a tour of the school, please contact the HR Team at **recruitment@thevalefederation.com**. We hope to receive your application and meet you in the near future.

Yours faithfully,

Bradley Taylor

Values

Excellence:

We aim for our pupils to give their best in everything that they do. We recognise all their small steps of progress and their achievements. Whatever the child's starting point, we have high expectations of them. All children can make progress with their academic skills, their physical skills, their communication skills, and their personal development. Staff have high expectations of themselves and fulfil their role to a standard of excellence.

Trust:

We aim for our pupils to learn in a school environment that is safe and secure, and to develop trusting relationships with others. Over time, we want our pupils to develop a sense of responsibility. We aim for children to develop an awareness of who they can trust in the wider community. Staff always act in a trustworthy manner. They are honest and reliable at all times.

Courage:

We aim for our pupils to show courage in the challenges that they will face in life. It takes courage to have the confidence to have a go, to be willing to make mistakes, and to bounce back after a mistake. Staff model being courageous and support children's resilience.

Determination:

We aim for our pupils to always persevere, even when something may be difficult, to keep going and not give up, and to develop a positive "can do" attitude. Staff are unfailingly determined to support pupils in achieving their very best.

Kindness:

We aim for our pupils to show kindness to others. We value being polite, friendly and welcoming to others. Staff always act in a manner that demonstrates kindness towards children and towards each other. Staff are positive role models for children.

Friendship:

We aim for our pupils to develop communication and social interaction skills in order to develop positive friendships with others, and to take pleasure in shared experiences. Staff demonstrate friendship by being caring, supportive, having fun, and sharing ideas.

Respect:

We aim for our pupils to learn and develop in a school environment that promotes tolerance and respect for individual differences, abilities, needs and beliefs. We aim for our pupils to develop into individuals who respect themselves and respect others by treating them with consideration and care, and recognising that not everybody is the same. Staff are positive role models at all times and demonstrate their respect for others through their behaviour.

Equality:

We aim for our pupils to experience a school environment in which fairness is promoted. Equality is achieved by understanding that individuals need different levels and types of support to achieve their goals. Staff are committed to ensuring that each individual has their needs well met.
