CONDITIONS OF SERVICE FOR SUPPORT STAFF

Summary for Applicants

The terms and conditions of employment are stated in full in the contract of employment. A summary of the main terms and conditions is outlined below. Applicants can request details on any terms and conditions not specified below from the HR Department.

Working Hours

Your normal working week will be as specified in the job description. The standard working week for full-time employees is 37 hours a week. The job description will specify whether your post is for work during term-time only, whether you are required to work during school holidays and Training Days whether you are required to work regular or occasional additional hours or overtime.

Salary and increments

The salary is normally based on an incremental scale. Subject to satisfactory service and at least six months' service in the grade, an increment is payable on 1st April each year until the maximum of the grade is reached subject to satisfactory performance.

For term-time employees, the annual salary is calculated on the number of weeks worked plus statutory annual leave and a pro-rata holiday entitlement for additional holiday above the statutory minimum. This is paid in equal monthly instalments throughout the year or for the duration of the contract.

The salary in the first year of employment will reflect the working weeks remaining in that leave year and therefore may be different to salary paid thereafter. Further details will be outlined in any offer of employment.

Probation Period

This appointment is subject to a 1½ terms or six-month probationary period.

Notice Period

You are required to give one month's notice in writing to terminate your employment.

Annual Leave

23 days' annual leave entitlement plus 12 Bank/Additional Holidays, rising to 26 days after 5 years' service (salary calculations for leave will be on a pro-rata basis for part-time staff, except for the statutory minimum entitlement).

Pre-employment checks

ID Checks: We will need to see original documentation that verifies your name, any change of name, date of birth, current address and photo ID. This will normally always include a birth or adoption certificate and a passport (if the applicant holds a passport).

Criminal Record: All employment within a school requires an Enhanced Disclosure from the Disclosure and Barring Service (previously the Criminal Records Bureau). It is therefore essential that you are willing to complete a Disclosure application if offered the post. The Disclosure will include details of any cautions, reprimands or final warnings, as well as convictions, including otherwise "spent" convictions and other relevant information, such as police enquiries and pending prosecutions. Further information can be found at <https://www.gov.uk/criminal-record-checks-apply-role>.

Eligibility to Work in the UK: Under the Asylum and Immigration Act 1996 it is a criminal offence to employ anyone who is not entitled to live and work in the UK. The successful applicant is therefore required to produce one or more documents as specified in the Home Office list of approved documents as proof of his/her eligibility to work in the UK. <https://www.gov.uk/government/publications/right-to-work-checklist>

Qualification: The successful candidate will also be asked to produce original certificates for any qualifications they hold which are relevant to the post to which they are appointed.

Health: The successful candidate will be required to complete a confidential medical questionnaire which will be assessed by our Occupational Health provider to ensure that s/he is able to meet the requirements of the role. In some circumstances a medical examination by a registered medical officer may be required.

Pension provisions

If you are over 16 you will automatically join the Local Government Pension Scheme (LGPS) unless your employment is on a casual basis. If you have made, or wish to make, alternative pension arrangements (e.g. the State Earnings Related Pension Scheme or a personal pension from an independent provider) you must apply to 'opt out' of the Local Government Scheme.

Continuous service

Myton School is an Academy Trust and therefore an employee's continuous service starts from the date s/he joins Myton School. The exception would be in the event of a redundancy where the academy recognises the effect of the redundancy payments (continuity of employment in local government, etc.) (modification) order 1999.

SUPPORT PROGRAMME FOR NEW STAFF

Staff Welfare

Promoting staff wellbeing is considered highly important at Myton; the school has a very proactive Wellbeing group that is involved in ensuring the welfare of staff through activities such as Well Being events, providing “breads and spreads” in the Staff Room, offering Flu- vaccinations on site and liaising with the senior leadership team on matters such as the school calendar to ensure workload is managed.

There is also a team of trained staff listeners, who can be available at a mutually convenient time, to have non-judgmental and supportive conversations on a one to one basis to support colleagues.

We also subscribe to Westfield Health, providing staff with free information, support and advice, including telephone or face to face counselling.

Mentors and Buddies

All new staff will be ‘buddied’ with a friendly face in school. This person will be a carefully selected volunteer who will have your interests at heart. They will be a point of contact within your department or area in school and will be able to take you through some of the school systems and procedures on a one-to-one basis. They will also ensure that you are able to access the right training and people to ensure your induction is completed.

Early Career Teachers (ECTs)

You will have access to professional dedicated support throughout your first two years of teaching through the ECF. The school and our approving body (Warwickshire LA) have drawn up a detailed policy outlining your entitlement and have ensured that procedures exist at all levels to provide appropriate and effective support where and when needed.

ECTs will have an ECT Mentor to guide them through the programme of professional development through the two years and department buddies and subject specialists will provide subject support in their areas of specialism. Our Induction Tutor will also work closely with your Subject Mentor to ensure you are receiving the support you require.

They will discuss your training needs with you regularly with dedicated weekly support with regular drop- in/surgery slots for discussion and support with aspects of teaching and learning, for example marking and feedback. Additional peer support sessions in school will aim to provide additional guidance/support to complete your weekly training activities as part of the ECF as you progress through the ECT programme. You will receive regular feedback through observations of your classroom teaching and learning walks to facilitate development of your pedagogy and professional practices, both through department and mentor guidance. As part of the assessment process, required by the Warwickshire LA, a statutory online report to the Local Authority is managed by the work of the Induction Tutor at the end of each term.

Training, support and assessment

Your Induction training will include the important basics including Safeguarding and Child Protection, Health and Safety, Data Protection and if appropriate, relevant software. In addition, there is a comprehensive annual programme of Twilight training sessions and all staff are invited to participate in any whole school training activities that they feel are appropriate to their needs.

All staff participate in an annual review process which provides an opportunity for an in-depth discussion with the line manager to agree work objectives and areas for future support as well as appropriate training and development.

The school is committed to providing the best possible professional support for **all newly appointed colleagues** including regular monitoring, feedback and support.
