It is a great opportunity for a teacher who is committed to making a real difference to our students and giving them the best possible life chances. This role will provide an excellent opportunity for a Newly Qualified Teacher to begin their teaching career in a very supportive environment, with excellent early-career support.

We are a school on the up

It is an important and exciting time for our school. We are making real improvements for our students. I have been Principal at Haileybury Turnford since September 2016 and we are in the process of transforming ourselves into an exceptional school. We are focusing strongly on the quality of teaching and learning in the school, and providing high quality professional development for all of our team. The English Faculty will move into a new, state of the art building from September 2021 with a suite of new, specialist English classrooms.

English is very popular with students at Haileybury Turnford

We have strong teaching and good student attitudes to their learning. If you join us, you will join a very well led, cohesive and supportive faculty led by the Director of English and a fully staffed specialist English team.

Opportunities through our sponsor, Haileybury

The school has been sponsored by Haileybury, the leading co-educational independent school, since September 2015. This partnership has provided us with new opportunities for our students and strong strategic direction through its governing body. There are also excellent opportunities for the English Faculty to develop relationships with the English team at Haileybury to support our students. Both schools are fully committed to extending this unique opportunity in the months and years ahead.
