

Technology Teacher

Full Time

Salary : TMS/UPS

Required for September 2022

Resilience, Excellence, Respect

Colchester Academy is a thriving secondary school, looking for a passionate, enthusiastic and driven Teacher of Technology to join its dedicated team. This role is predominantly Food Technology but is an exciting opportunity for a flexible practitioner in product design, art and food technology to help continue to raise standards across the school and to drive the Technology faculty further on its already successful journey.

Colchester Academy is a secondary school located in the heart of Colchester, Essex, and is graded 'GOOD' by OFSTED (2018). Part of a local Academy Chain, South Suffolk Learning Trust (SSLT), this is an incredibly exciting time for us to appoint someone who is hard working, has high levels of integrity and passionately believes in the power of education to change lives.

We offer a positive and supportive workplace where staff go the extra mile, for students and for each other. A place where we provide excellent opportunities for career progression and advancement, and where the culture is one of equity and fairness built on relationships developed out of mutual trust and respect.

Colchester Academy is an outward facing research-based school, with pedagogy firmly rooted in the Principles of Instruction and a knowledge rich curriculum. We are looking to appoint someone intent upon driving up standards, delivering excellent teaching and inspiring the same in others.

This is an exciting opportunity to work within Colchester Academy, a school committed to excellence in everything we do.

This role provides excellent opportunities for career progression and advancement. Colchester Academy is committed to Continuing Professional Development (CPD) and training, and the culture is one of equality and fairness built on relationships developed out of mutual trust and respect.
