Recruitment Pack for the Position of:
TECHNOLOGY TEACHER

Recruitment Pack for the Position of TECHNOLOGY TEACHER

Welcome to St Thomas More Catholic High School

Thank for taking time to consider the role here at St Thomas More Catholic High School. The role is a vitally important one in our school and will impact directly on our continued success and future development.

Our school is recognised as one of the very best schools in Cheshire and nationally as our Progress 8 score has been the best in Cheshire East in 2016 and 2017 and in the top 5 in 2018. Our OFSTED inspections of September 2007, April 2012 and January 2016, together with our pupils' examination results at Key Stage 4 establish our wider reputation as a school with excellent results and pupil progress. The Diocese of Shrewsbury graded the school outstanding in February 2017

I hope that in finding out more about the school and its secure basis on Gospel Values you will feel motivated to apply for the post of Maths Teacher. I would encourage you to visit the school and meet our exceptional pupils. Please do not hesitate to contact the school if you have specific questions. However do look at our website if you would like more information about our school.

Your application form and covering letter, including referees should be returned by the advertised closing date.

The application form and covering letter can be emailed to:

mrs.mcglone@st-thomasmore.cheshire.sch.uk

Kind regards

Mrs Clare Hogg
Headteacher

St Thomas More Catholic High School

Keeping Faith in Education

St Thomas More Catholic High School is a high performing, oversubscribed, 11-16 school in the South Cheshire Catholic Multi Academy Trust in the Diocese of Shrewsbury which was once again rated Good by Ofsted in 2016. Our most recent inspection by Shrewsbury Diocese rated us as an Outstanding Catholic school.

We have a well-deserved reputation for academic excellence balanced by outstanding pastoral care and support which allows our pupils to flourish and develop as rounded individuals.

During 2016-17 we will continue to focus relentlessly on the quality of teaching leading to excellent results for pupils, very high expectations of behaviour to create a calm and happy school, a strong good pastoral system to care for pupils and their needs, and a range of enrichment activities to engage and motivate pupils to contribute to their wider education to ensure that St Thomas More Catholic High School provides an outstanding education for all pupils.

Every school in the country with high ambitions for its young people would probably say the same, but we have a distinctive foundation or inspiration for our pursuit of excellence: our Catholic Christian values, based on the Gospel of Jesus Christ, which regards every person as a unique creation of God with an 'original gift' to offer the world. Our aim is to help pupils to discover the person they are called to be.

In the day to day life of the school, Gospel and British values are evident in the culture of respect and the strong 'family' atmosphere which all our visitors comment on and our staff and pupils value highly. Our values and common purpose has enabled us to create a thriving community who experience a full and balanced education which prepares them to live a fulfilling life and able to grasp all job, career, high education and leisure opportunities which the world offers.

Welcome from the Technology Department

The Technology Department aims to educate pupils to make a positive contribution to society, to prepare them for jobs that don't yet exist using technology that hasn't been invented.

We aim raise aspirations and enable pupils develop a social conscience so that they understand the power their choices have shaping the world into one that matches their beliefs. This is achieved by providing stimulating contexts and scenarios to support pupils in developing their creative instincts and their integrity as innovators, manufactures and consumers of the future.

The Technology Department is situated in the main school building, with two dedicated ICT suites, a workshop and a practical Food room. They are serviced by one part time technician who supports in lessons, prepares materials and equipment and maintains the high standards of health, safety and hygiene. All rooms are equipped with an interactive smart board with a dedicated laptop. Each member of the department is based in one room for the majority of their lessons.

Currently, the department follows schemes of work through Years 7 to 8, based on the National Curriculum and the knowledge and skills required to be successful at KS4. These are regularly reviewed in light of results, new technology and pupil voice. In Year 8 pupils select their options subjects and spend Year 9 developing their knowledge and independence in their chosen specialist areas. In Year 10 pupils start their GCSE courses, with many qualifications requiring formal coursework style assessments to begin during the spring and summer terms of this year.

The department aims to work with the Science and Mathematics departments to ensure pupils receive as much information as possible regarding cross curricula links and careers in STEM subjects. We have organised activities taking place during National Science Week in the past and we hope to continue to build upon this. We also aim to expose pupils to the changing landscape of future employment, particularly promoting equality in roles where traditionally the perception of which has been gender biased.

We are also focused on contributing towards the enrichment of the Catholic Ethos of the school through our subject areas and include social catholic teaching in our planning.

Attainment and progress in Technology as a whole is good, however, many areas are outstanding. The aim is to raise levels of progress and achievement and maintain consistency, any new members of the team would be committed to sharing this goal with us and helping to continue with the evolution of our department.
