Dear applicant,

Thank you for your interest in the advertised teaching post for Key Stage 1 at our school.

The post is to cover a maternity period of 12 months (subject to notice) starting in June. However, due to the coronavirus pandemic pregnant staff are eligible to work from home from 27 weeks. We are therefore hoping the successful applicant may be available to start after the Easter holiday (April 12<sup>th</sup>).

Worthinghead serves a mixed community of private, local authority and rented accommodation on the outskirts of Bradford. Pupils come from a variety of socio-economic backgrounds, predominantly white, with English as their first language. We are a one form entry primary school currently providing education to 214 pupils, from Reception to Year 6.

The school has excellent outdoor facilities including a Forest School and extensive grounds. All support staff are recruited to help meet the needs of pupils with learning, emotional and physical difficulties. Our full prospectus can be found on our website.

The school teaches a broad and creative curriculum and we aim to utilise the outdoor learning opportunities fully. Class teachers teach the full range of national curriculum subjects with PPA being covered by additional teachers. All classes have a full time member of support staff as well as 1:1 support for children with and EHCP and we also have 2 part time teachers offering small group and individual work.

All classes have an interactive boards and 3 class sets of Chromebooks provide opportunities for mobile technology to be used in and out of classrooms. In-school computing clinics are run regularly by the subject leader for all staff to further develop their skills and update themselves with new technologies.

All teachers (other than NQTs) have responsibility for the subject leadership of at least one aspect of the national curriculum and are given termly release time for monitoring and evaluating their subject area. Please outline any particular specialisms or interests that you may have.

Visits are welcome by prior appointment.

Closing date for applications 26<sup>th</sup> February 12pm  
Interviews will be held week commencing 8<sup>th</sup> March 2021

Yours faithfully,

Lillian Sharp  
Headteacher
