Why choose us?

Ours is a friendly school where we focus on developing the whole child, not just assessing them. Our enthusiastic pupils are engaging and have outstanding behaviour. We have great links with our local community and strong support from parents and the Governing Body. This may be why places are in demand!

As an Academy we are building upon our creative curriculum, allowing teachers to keep and develop topic areas that inspire children and staff alike.

We have a very friendly and supportive team and each class has a teaching assistant. We have regular staff training and opportunities to share best practice and strongly believe that offering CPD and curriculum leadership opportunities are essential to develop our staff. Alongside this, the staff wellbeing team organise regular social events.

We are looking for someone to join our team to further develop the school's ethos where all pupils and staff are provided the opportunity to flourish.

The school is committed to safeguarding and protecting children. The post is subject to a satisfactory enhanced DBS check. We are an equal opportunities employer.
