Our Lady's Catholic High School

Headteacher – Richard Charnock

Thank you for your interest in the position of Temporary Teacher of History at Our Lady's Catholic High School.

Our Lady's Catholic High School is a highly successful oversubscribed 11–16 mixed High School of 900 pupils serving mainly the Catholic community in the north of Preston. We have an excellent reputation and are consistently ranked as a high performing school. We place an emphasis on helping each child reach their full potential and provide a safe, loving environment where our pupils can grow and develop to become One of Ours.

Behaviour and relationships in our school are very strong and all teachers use our highly respected and successful system for managing behaviour and relationships called 'Behaviour 4 Learning'. This is supported by a sophisticated system for rewarding pupils for being fit to learn and for commitment to school life.

Potential candidates are very welcome to visit our school and see for themselves our wonderful pupils and staff. Should you wish to visit please contact Pam Stott using the details on the final page.

We look forward to receiving your application.

Yours sincerely,

R. Charnock

School information for candidates

History of Our Lady's Catholic High School

Our school was founded in 1988 as the result of a lengthy consultation process within the Diocese of Lancaster. The then five Catholic secondary schools were reduced to three. The two schools which amalgamated to form Our Lady's were: St Edmund Campion in Lea and St Cuthbert Mayne, which already occupied the current site of Our Lady's in Fulwood. Our school's identity is very much defined by the parishes and the ten primary schools which form our family, and these have ensured a clear continuity from the two former high schools.

Our Ethos and Mission

Love, Learn, Grow

At Our Lady's we place Christ at the heart of everything we do. Through our 'Being One of Ours' virtues, we nurture each individual to love, learn and grow in their unique, God-given potential, ready to be of service to the world.

Core Principles

Everyone at Our Lady's has the right to:

Develop their faith in a supportive context

At Our Lady's this means we remain true to the teachings of the Holy Catholic Church while respecting the traditions of all faiths. We look to support all people in developing a love of God and their fellow people both within and outside of our school community

Work and learn to the best of their abilities

At Our Lady's this means that pupils should be well prepared for lessons by bringing the correct books and equipment. In class pupils should help others to learn by trying hard, listening well and being aware of the learning needs of others. Staff should be well prepared by planning appropriate, challenging lessons and providing regular feedback on progress. Everyone should value their gifts given by God and contribute to the life of our school

Be treated with respect at all times

At Our Lady's this means that we should speak in a way that supports others and helps each individual to grow and feel a welcome part of our school community. Opportunities, help and support will be given to all pupils and staff regardless of their gender, faith, race or background.

Feel safe

At Our Lady's this means that disagreement should always be resolved through discussion. The behaviour of everyone should contribute toward creating a calm and peaceful community. People who have worries about bullying behaviour should be taken seriously, their concerns investigated and appropriate action taken. Everyone should look out for others and report any concerns.

“In all my years of school Masses, I have never experienced such a wonderful, prayerful celebration of Mass”

**MICHAEL CAMPBELL OSA,
EMERITUS BISHOP OF LANCASTER**

Our Pupils

Our catchment has remained very stable for many, many years. In recent years we have been very heavily oversubscribed with around 240 first place choices for our 180 places and well over 700 applications overall. We therefore have a wonderfully diverse population with strong numbers of Muslim, Hindu and Sikh pupils and a variety of other Christian faiths. Our percentage of baptised Catholics is about 79%. None of our families ask for their children to opt out of any of our collective worship programme as they are all ‘One of ours’. There is no academic selection of any kind nor social selection based on number of church attendances. Some of our wards are affluent and others are very disadvantaged indeed. We serve the absolute range of society with our overall population skewed slightly to more advantaged.

“Students are focused, mature, confident... friendly and happy”

Catholic Teaching Alliance

In 2014 we were awarded the status of National Teaching School. Our plan was to create the Catholic Teaching Alliance (CTA), an association of Catholic schools, mostly within the Diocese of Lancaster, where the Catholic teachers and educational leaders of the future are trained. The core business of the CTA is initial teacher training which we do in partnership with the University of Cumbria. The CTA base is here at Our Lady’s in the Training Centre, a bespoke building from which both administration and many taught elements take place. To date we have trained approaching 250 people as potential teachers within our Catholic schools.

In 2021 the government changed the Teaching School system to one that is led by far fewer Teaching School Hubs. We did not meet the criteria to apply as our Ebacc figure was too low. We are therefore no longer a Teaching School as of September 2021, but the work of the CTA continues with strength through ITT (Initial Teacher Training).

Behaviour & Relationships

We are very proactive about bullying and discrimination of any kind. We teach about such matters in our Personal Development programme; we research regularly with our pupils and staff to discover instances and we deal robustly with all examples.

Behaviour and relationships in our school are outstanding. Our teachers use our highly respected and successful system for managing behaviour and relationships called, ‘Behaviour 4 Learning’. This is supported by a sophisticated system for rewarding pupils for being fit to learn and for commitment to school life. Our reward system is valued greatly as exemplified by how our pupils, from years 7 to 11, all wear their badges every day on their school jumper with pride. Our uniform is simple, affordable and is worn consistently by everyone. When you put on our uniform, you put on our school, because you are One of Ours.

Information about the Curriculum Area

The History Department comprises a team of three specialist teachers. We teach a rich, challenging and engaging curriculum, which has been designed to allow students to explore local, national and international history, exploring political, economic, military, social and cultural themes. We take pride in allowing our students to see the 'big picture' and to place the individuals and events we study into their broader context.

Staff within the department are well-supported: we have clear long-term and medium-term plans for our curriculum that we follow, using agreed assessment tasks and shared resources. Individual teachers plan their own lessons responsively for their classes to ensure that pupils make excellent progress, achieve and develop a love for the subject.

A priority for the department and the wider school is to continue to develop our pedagogy and expertise in the classroom. The History team participate in a fortnightly department development session to facilitate subject-specific CPD, reviewing and updating curriculum plans and working collaboratively to share expertise and good practice. We are currently developing our practice with regards to oracy in the classroom, developing activities which provide opportunities for all students to actively participate in the learning. This supplements whole-school training which has incorporated work on the Educational Endowment Foundation's work on Embedding Formative Assessment.

History is a popular option subject at Key Stage Four, consistently the most popular option, and currently we have 4 classes in each of year 10 and 11. We deliver the Edexcel specification with units on Medicine in Britain c1250-present day, Superpower Relations 1943-1991, Elizabethan England 1558-1588 and Germany 1918-1939. Results in History area strong and a significant number of students are keen to continue their study of History, or a related subject, after they leave Our Lady's.

As a department, we are committed to providing extra-curricular opportunities and visits and this is an area we are keen to develop. We have recently welcomed a visitor to share artefacts related to our year 11 curriculum, we are currently planning a collaborative project with the Holocaust Education Trust and an annual visit to Lancaster Castle celebrates the most exceptional work of students on Medieval Castles.
