

TEACHER OF PE

TEMPORARY TO COVER MATERNITY LEAVE (until February 2025)

MPS / UPS

Required from Monday 3 June, however the start date is flexible for the right candidate, a teacher of Physical Education. There are currently seven teaching staff in the P.E department and ETA support. The person appointed will be involved in all aspects of the work including clubs, teams and after-school activities.

We are a large department with many highly-valued, experienced teachers and support staff. We are a close-knit and supportive team who work well together. Whilst we have high expectations of ourselves and each other, we balance that burden with kindness, humour and a shared sense of purpose.

The school's Physical education department is very well equipped, including 2 gymnasiums, a full-size sports hall, a swimming pool, astro turf and extensive fields.

We are looking for someone to support our broad curriculum and become fully involved in school life.
