Ofsted Sept 2023

Welcome to Consilium Evolve.

As Headteacher of Consilium Evolve, it gives me the great privilege and pleasure of welcoming you to our school.

Consilium Evolve is a specialist Alternative Provision Academy which caters for secondary age students who experience emotionally based school avoidance. But our academy is so much more than that. We nurture each student to encourage them to take their place in the world, whatever that might be, despite any barriers they have encountered.

We want Evolve to be a physically and emotionally safe and secure place for our students, so that they feel able to improve their previous school attendance. Our curriculum is delivered in a way that encourages students to be brave and creative in their learning and achieve well. Our academy is a calm and supportive environment underpinned by strong and respectful relationships between staff, students, and their families.

Mr R Bell

Headteacher

About the Academy

Consilium Evolve is an Alternative Provision Academy which caters for secondary age students who experience emotionally based school avoidance. As such, we focus on the wellbeing of our students which then allows them to achieve.

A Culture of Excellence.

Our school builds a cultures of respect, responsibility, courage, and kindness, where students and adults are committed to the quality of their craft and are brave in new challenges.

All members of our community ensure that each student is **known** and **cared** for, student leadership is nurtured, and contributions to the school and world are celebrated. Students and staff are supported to do better work and be better people than they thought possible.

Classroom Lens

Our classrooms are alive with **discovery, inquiry, critical thinking, problem solving**, and **collaboration**. Teachers talk less. Students talk (and think) more. Lessons have an explicit purpose, guided by learning targets for which students take ownership and responsibility, to bring out the best in them.

Our approach to curriculum makes standards come alive for students by connecting learning to real-world issues and needs. Academically rigorous, project-based learning expeditions, case studies, projects, fieldwork, and service learning inspire students to think and work as professionals, contributing high-quality work to authentic audiences beyond the classroom.

Show up and Be Seen,

At a very basic level we are built for love and belonging, human connection and learning. It is our job as practitioners to ensure our 'Lens' is truly focused on how our practices meet the needs our community. By bringing our best self (showing up), as practitioners, we will work rigorously to understand the mechanisms necessary to allow our students to thrive. Our students will learn to 'Be Seen', developing personal confidence, and the ability to take autonomy over their future steps.

Our Leadership

Leadership in our school goes beyond a single person or team; it's a role and expectation for all.

Leaders build a cohesive school vision focused on student achievement and continuous improvement. They align all school activities with that vision. Leaders use data wisely, boldly shaping school structures to best meet student needs, celebrate joy in learning, and build a school-wide culture of trust and collaboration.

At Consilium Evolve we are ambitious for all our students and staff, and we look forward to welcoming you to our school.
