May 2022

Dear Candidate

Thank you very much for expressing an interest in a post of responsibility within the English Faculty.

We are seeking to appoint a qualified and highly enthusiastic teacher of English from September 2022 who would be creative and confident in leading an area of responsibility. The exact area will be discussed and is flexible. The successful candidate will have a commitment to the development of creative, engaging teaching and learning across the age and ability range. Our English examination results are consistently well above the National Average for progress, but we feel we can do even better. English and Media Studies A Level are extremely popular at Key Stage 5.

This is an exciting opportunity to work in a thriving faculty with a strong supportive team of English teachers, some with extensive experience, and also regular trainees on our TeachFirst programme. The English Faculty benefits from a fully dedicated suite of rooms including access to ICT provision.

Hatch End High School is a warm, vibrant and stimulating place to work. We are a lead school in teacher training and regularly welcome many trainees from the highly acclaimed TeachFirst Programme. Continuing professional development for our Middle Leaders is at the core of everything we do, and you would be joining an organisation which would offer numerous career developments to Senior Leadership and beyond.

Our website has comprehensive information on the many fantastic opportunities at the school and would urge you to read this before applying along with our "Your Career at Hatch End High School" brochure. If you would like to discuss the role informally before submitting an application, please do not hesitate to contact hr@hatchend.harrow.sch.uk.

I very much look forward to reading your application.

Very best wishes.

Ms S Maguire
Headteacher
