Since we may not be able to respond to all applicants, if you have not been contacted by **24th February 2023**, please assume that you have been unsuccessful. All applications are considered carefully and objectively against pre-determined criteria. Please feel free to contact HR if you would like to enquire about the progress of your application. **We plan to hold interviews the week commencing 27th February 2023 at the College and will notify short-listed candidates as soon as we can after the closing date.**

Thank you for your interest in the College. I hope you will find the information useful and look forward to receiving your application.

Yours sincerely,

Emma Young
Principal

Godalming College

Godalming College is one of the best performing sixth form colleges in the country and a great place to work and study. We are very proud of the achievements of all our students and have a strong track record of consistently high results. Value added scores are excellent and the College was rated Outstanding by Ofsted in our inspection in December 2019. It was noted in that inspection that:

'Leaders support staff very well. They take the well-being and workload of their staff into account when determining new processes and policies. Staff benefit from extensive investment in professional development opportunities, which helps them develop both their subject and classroom skills. Staff are highly positive about working at the College.'

More recently in our 2022 Staff survey, 96.8% of staff said they were proud to be a member of staff at the College and 96.2% of staff would recommend working at Godalming College. The following quotes are from members of our current team:

'It is a supportive, positive, happy environment, which is great for both students and staff.'
'As a member of staff I am given autonomy but always know that guidance, direction and support is available'
'Senior Leaders do care and do consider staff welfare more than any other school/college that I have worked at.'

The College currently employs around 220 teaching and support staff on both a full and part time basis.

The success of Godalming College is also about community with students from all walks of life enjoying a whole range of opportunities in a welcoming and friendly environment. Students enjoy a stimulating, lively and challenging learning and social experience; they are treated as adults by specialist and dedicated teaching and support staff in facilities that have seen major investment over many years.

The campus comprises of nine newer large buildings and our older main building, which was the original grammar school, built in the 1930's. Since the 2000s there has been a phased refurbishment and expansion of the College which included a new English and Modern Foreign Languages block, Media suite, netball and tennis courts and an 11 acre site for Rugby and Football pitches. We would invite you to take the virtual tour on our website to see for yourself the facilities of which we are so proud.

The College is within walking distance of Godalming town centre and the railway station, is easily accessible from the A3 and provides free car parking with EV charging stations for staff.

The College year runs for a period of twelve months from 1st September-31st August although the official start of the Autumn term varies. In 2023, the Autumn Term will begin on 29th August for all staff.

Full-time teaching staff have a time-tabled teaching commitment of 23.5 hours plus almost 9 hours directed time per week. Part-time staff will normally be appointed for a pre-determined number of time-tabled hours with an additional proportionate directed time element. In addition, a teacher will be expected to work such additional hours as may be needed to discharge their duties effectively including, in particular, the marking of student work, the writing of reports on students, preparation of lessons, teaching material etc.

Teaching salaries are paid according to the Sixth Form College Teachers' pay spine and the Godalming College Single Leadership spine, depending on previous teaching experience. The Academy Trust Board reviews salary scales against any nationally determined pay agreements on an annual basis, the changes being implemented from 1st September. Incremental progression is subject to satisfactory performance review. The current pay spine is included in this application pack as is an infographic of the additional benefits we offer.

All offers will be subject to the receipt of satisfactory references, enhanced DBS disclosure, medical clearance, right to work in the UK check and proof of necessary qualifications. As the post is based in a Sixth Form College we have a responsibility to ensure that all staff are suitable to work in this environment and referees will be asked to confirm this.

Godalming College's Trainee Teacher Scheme

To apply for our trainee teacher scheme, you must have a relevant degree and be committed to starting a career in teaching. You must also be enthusiastic and passionate about your subject as well as working with young people. Ideally, this is on a full-time basis, but for some roles applications from candidates who wish to be a part time (minimum 3 days) trainee teacher will be considered.

You will be teaching for around 13.5 hours per week plus a tutor group. You will also be doing some learning support work which will give you the opportunity to experience lessons taught by other staff. The post includes some additional time to help you plan and prepare for lessons as well as keep up to date with work for your PGCE. The actual salary will depend on the proportion of time allocated to teaching and will be confirmed at offer stage. For this trainee post, we envisage the actual annual salary will be approximately £24,300.

You will complete your PGCE on a part-time basis over the two years and the cost of the PGCE course will be paid by the College. Our normal expectation is for trainee teachers to enrol on the PGCE at Reigate College as this course is most suited to trainee teachers in the sixth form college sector. We appreciate this may not always be a suitable location for all trainees, depending on their home location and there are other courses that are possibilities which can be discussed at interview.

Trainee teachers are employed on a fixed-term contract for approximately two years. The purpose of the contract is to allow you to complete your teaching qualification while at the same time gain practical experience of teaching and learning support work. At the end of your training contract, the College may be able to offer you employment depending on our teaching requirements at the time but as with all trainee teacher schemes, there is no guarantee of a permanent position.

The Mathematics Department

- The Mathematics Department currently offers courses in GCSE Maths (resit), Core Maths, A-level Maths, A-level Further Maths and AS Further Maths. Staff teach across all courses and the successful candidate would ideally be able to do the same.
- Examination performance is very strong both in terms of headline results and value added. A Level (2022): 68.9% A*-B, pass rate 99.4% (ALPS grade 4). A Level Further Maths: 100% A*-B, pass rate 100% (ALPS grade 2). The GCSE Maths resit results are well above the national average, with 40% of our current cohort already having passed in November. The Department takes pride in doing the best for its students. Please see the College website for more information on our results.
- The Department is forward-thinking and has a well-developed department portal full of resources to support learning. Microsoft Teams is used to communicate with staff and students, and as a powerful teaching tool, many staff utilise OneNote to share resources and provide feedback. The Department is keen to encourage the use of e-learning, prepared booklets, and texts as a means of meeting the individual learning needs of students. All A Level students are expected to use a graphical calculator. GCSE students benefit from the use of 'Century' software to provide personalised, intuitive activities and support.
- Our classrooms are well stocked with mini whiteboards and multiple large whiteboards around the room to facilitate them working together and to help the teacher give personalised feedback.
- Philosophy A Level also sits within this Department; the Department currently consists of 12 teaching staff (9 Maths teachers, 2 Philosophy teachers and 1 who teaches both), 9 classrooms, and 3 staff workrooms. Staff in the department work closely together, it is a supportive team with a wealth of experience; there is an emphasis on sharing good practice and resources. There are regular team meetings, both formal and informal.
- The Department run daily lunchtime workshops as part of their teaching hours, all members of the team contribute to these.
- The appointment is on a part to full-time basis with a minimum FTE of 0.6 over 3 days. All teachers are expected to act as a personal tutor, to a group of approximately 20 students.
- The College day is 8.45 until 4.15 and each teaching period is 45 minutes long.
