Geography at TLT

As Trust Director of Geography, you will oversee the Geography curriculum across our Trust secondary schools (currently Honley High School, The Brooksbank School and Ryburn Valley High School). Brooksbank and Ryburn are 11-18 schools with internal post-16 provision including A level Geography.

All schools follow the AQA A Level and OCR GCSE Geography specifications. All Trust schools also use Senneca to support pupils' independent study.

The development of teaching and learning is always our key priority as a Trust, and for the schools as a whole. The Geography Departments are progressive, constantly striving to meet the varied needs of comprehensive pupils. Alongside this they aim to achieve the rigorous demands of an ever-evolving curriculum. All schools have strong and dynamic teams who meet regularly to discuss the development of teaching and learning, to share ideas and to support each other.

Geography is a popular subject with a high take-up for at GCSE level. Fieldwork plays an important role in Geography throughout the Trust; students in Years 7 - 9 complete a local fieldwork project, and at GCSE there are trips to places such as Liverpool and Hornsea. There's lots going on in each school, including extra-curricular clubs at KS3.

The Trust encourages the enjoyment of Geography through quality teaching on a day-to-day basis. Geographical knowledge and understanding is a fundamental part of everyday life, and all the Geography Departments strive to ensure that all pupils within the Trust leave with these key skills. As Director of Geography, you will work

closely with our existing excellent leaders to secure outstanding outcomes for all students via a rich and rewarding curriculum for all.

Student leadership is at the forefront of everything we do, and our staff work tirelessly to provide opportunities for students to ensure they have a voice. Key to student progression is ensuring all students can access a curriculum which is broad and balanced, as well as providing additional opportunities for extra curriculum events such as trips and workshops to provide links to real life examples.

Geography is popular amongst pupils and enjoys high esteem within the school's community. Our Geography teams work hard and support each other to ensure students have the best chance of success.

Above all, the Trust is a great place to work with a passionate, supportive and forward-looking team of Geography staff and in a subject which offers so much to inspire and improve the life chances of all our students.
