

Job Description

PROFESSIONAL DUTIES

| | |
|--------------------------|--|
| Job Title: | Trust Lead Practitioner for Maths |
| Grading / Salary: | MPR / UPR plus TLR 2b |
| Accountable to: | Head of School / Executive Headteacher |

This job description should be read as an addition to the requirements of a teacher's job description

KEY ACCOUNTABILITIES in addition to those of a main scale teacher

1. To provide inspirational, innovative and motivational leadership for the improvement of learning and teaching in Maths and across the school to support 'Outstanding Progress for All'
2. Be accountable for continuous improvement in the quality of teaching in Maths
3. Contribute to the effective development of the curriculum in Maths
4. Model and lead the improvement of teaching skills with Stowupland High School and the John Milton Academy Trust
5. Use a range of data to effectively plan appropriate interventions and pre-emptive strategies for target individuals and groups
6. Lead aspects of learning and teaching across the school as part of the Learning and Teaching Team's strategic remit

SPECIFIC TASKS

Whole-School

- Contribute to the development of a clear strategic vision and direction to continually improve standards and outcomes within Maths
- Lead and plan activities and development opportunities for staff as part of the school's CPD programme and support the sharing of best practice across the school
- Lead aspects of the school's Coaching Programme to ensure that teaching is at least good
- Work proactively on the school's PIXL initiatives within Maths and other relevant subject areas
- Support every student to become a successful, independent learner of Maths
- Assist in the development of policies and process to support effective planning, assessment and teaching that supports 'outstanding progress for all'
- Raise awareness of the range of career opportunities linked with Maths and build a network of meaningful local and national links to support this work

John Milton Academy Trust

- Take responsibility for specific tasks linked to Trust Subject and Area Reviews
- Support the sharing of best practice across the Trust for mathematics
- Support the sharing of best practice in action research, pedagogy and practice and national developments across the school and Trust

Note: The list above is not exhaustive and you may be required to undertake any other reasonable tasks and responsibilities which fall within the scope of the post as requested by the Head of School / Executive Headteacher, a member of Senior Leadership or Trust Executive Leadership Teams.

This job description is subject to change at the discretion of the Trust.
