WORKING TOGETHER

When schools collaborate, incredible things happen.

Together Learning Trust is a thriving group local family of schools. We have three secondary schools, two school sixth forms, five primary schools and a special school, inspiring 5800 young people. We are driven by a shared commitment to providing magical learning experiences for all our children and a belief that all of them can achieve great things.

Exceptional achievement stems from developing world class teaching and learning. Creativity is the core of our values. Our staff are amazing; in both the relationships they forge and the incredible range of opportunities they make possible. We get great results, but we give and expect so much more. We are shaping a generation of future global citizens with the character they need to succeed; with the integrity and commitment to excellence that will enable them to thrive.

Together Learning Trust schools are wonderful places to work. We value and support our team across all our schools, and recognise the ideas, experience and expertise of our staff. Being part of the Trust opens up new opportunities for staff development. The Trust schools work closely together to identify and then implement the best school improvement strategies across its schools. Our aim is to grow great people and talent.

We cherish our staff, support their wellbeing and enable them to flourish. Being part of Together Learning Trust feels special due to the unique nature of the schools and the opportunities it brings for staff, students and communities to collaborate. For everyone involved in our Trust our mission is simple. To **Grow, Excel, and Learn Together**.

What could we do, together?

Prior governance experience is not essential as training and support is provided, however we would particularly welcome interest from people with experience in:

- Primary and Secondary Education.
- Special Educational Needs and Inclusion.
- Finance, audit or business leadership.
- HR or people development.

What's the commitment:

- **Approx. 45 hours per year**, including meeting attendance and preparation, visits to schools, training and development plus additional time, if required, to assist with panel hearings.

If you share our commitment to **improving the educational experiences and outcomes for all of our young people**, we would love to hear from you.

Are you ready to be an ambassador for our Trust?

Trustees may claim reasonable expenditure necessary for them to perform their duties.
