**Location:** Tupton Hall School, Station New Road, Old Tupton, Chesterfield S42 6LG

**Salary:** In line with National Tutoring Programme - £30 per hour

**Hours of work:** Casual hours, as & when required, term time only

**Responsible to:** Head of Subject and SLT Link

**Post objective:** We are looking to recruit a highly skilled and committed tutor to work with small groups of learners to help them achieve their targets within the curriculum.

Main Duties and Responsibilities:

- Design and deliver teaching materials through use of appropriate teaching, learning and assessment methods.
- To set appropriate homework tasks and review.
- Mark and assess work and examinations and provide feedback to students on how to achieve their target grades.
- To be aware of any Health and Safety, disability, equality or welfare issues, and raise any concerns with the Course Organiser.
- Liaise with classroom teachers to ensure tutoring is targeted to areas of need.
- Provide feedback to Head of Subject and SLT Link on progress of individuals.

Planning and Organising

Postholder will plan own workload and use teaching resources and facilities as appropriate to deliver designated activities. Will co-ordinate with others e.g. academic staff in relevant department, to ensure that student needs and expectations are met. May manage projects relating to own specialist area of work and the organisation of external activities such as placements.

Decision Making

Postholder will contribute to the design and delivery of modules or designated teaching within the subject area. May identify the need for developing the content or structure of modules with academic staff and make proposals on how this should be achieved.

Key Contacts/Communication

To share information with Head of Subject and SLT Link about target groups and individuals.

Knowledge, Skills and Experience

Postholders will typically hold a degree and post-graduate qualification along with substantial professional experience in specialist area. Typically, they will be operating as practitioners in a specialist area and will bring a breadth of experience and knowledge of their field of expertise which will significantly contribute to the student experience and assist in ensuring the distinctiveness of the course. Expectation is that tutors will, through discussion with the Department, understand the academic policies and procedures and what quality assurance measures will operate in relation to their activities. Have knowledge of how to be inclusive and non-discriminatory in their work and ability to analyse and assess student contributions in class and their assignments.

This role involves working in regulated activity with children and an Enhanced DBS clearance is required for this position.
